Specifications

Overview:

BCC950

Desktop video conferencing solution for private offices, home offices, and most any semi-private space

- All-in-one design is easy to use and saves space
- Plug-and-play convenience for Windows and Mac
- Clear HD video and audio at an affordable price

Features:

A GREAT VALUE FOR SMALL TEAMS

Small teams can run their own video conferences anytime, anywhere. The all-in-one BCC950 video conferencing system, with its high-definition, plug-and-play webcam and speakerphone, is ideal for small rooms or teams of 1-4 people. Set it up quickly and easily at an office desk or on a conference table. HD video and crystal-clear audio combine high quality with high value.

Key Features

ComX Computers

Product Specification Sheet

- **ALL-IN-ONE DESIGN** Just plug and play. BCC950 delivers wideband audio from a full duplex speakerphone and HD video from a motorized camera. In other words, its everything you need to conduct a small video conference with up to 4 people in one room. Recommended Room Layouts
- **PERFECT FOR PRODUCTIVE TEAMS** With a compact footprint and motorized eye-level camera, BCC950 is designed with small groups in mind. An omni-directional speaker and noise-cancelling microphone allow all meeting members to clearly hear and be heard up to 8 feet away. BCC950 is designed for use in private offices, home offices, or virtually any semi-private space.
- **COMPATIBLE WITH MOST VC APPS** BCC950 offers a plug-and-play USB connection to Windows and Maccomputers, and works with most any video conferencing application, including Skype for Business, Zoom, BlueJeans, Broadsoft, Cisco Jabber, Fuze, LifeSize Cloud, and Vido. Logitech Collaboration Program
- **SEE EYE-TO-EYE** Eye contact helps you make better connections, especially when you need to establish a new relationship, support a client, or collaborate with a distributed team. Thanks to a motorized camera and innovative extender stem, BCC950 makes video conferencing feel easy and natural.

NATURAL SOUND

With acoustic echo cancellation and noise canceling technology, BCC950 suppresses distracting background noises and annoying echo so voices sound clear and natural. Enjoy room-filling sound from the full-range speaker, or plug in your earbuds for privacy.

HANDHELD REMOTE CONTROL

Control BCC950s camera and audio on the speakerphone or from across the room with the handheld remote control. Either way, that all-important mute button stays in easy reach.

USB Plug-and-Play Connectivity

With no special software, training, or maintenance required, videoconferencing has never been easier. Theres nothing to configure or install: simply plug BCC950 into your PC or Mac and join your meeting.

Quality Optics

BCC950 features quality optics so you enjoy bright, clear video with accurate color rendition and sharpness. Pan 180 degrees across the room, and zoom in up to 1.2x in HD or 4x in SD to focus on the details.
