Specifications

Overview:

Winning in business means working smarter. The HP LaserJet Pro M404 printer is designed to let you focus your time where it's most effective-helping to grow your business and staying ahead of the competition. Ideal for teams of 3-10 people printing up to 4,000 pages per month that need to complete tasks quickly while guarding against threats and fraud.

Features:

- Today's businesses are always on, and always connected. Choose a printer that can keep up with how you actually work, collaborate, and get things done.
- HP Print Security isn't just about securing printers. It's about helping to secure your network with real-time threat detection, automated monitoring, and software validation - designed to detect and stop an attack as it happens.
- You have enough to worry about each day. It's easy to accomplish what you need - and exceed your own expectations - with a streamlined printer that's made for simple use.
- Business is all about resource management, and finding efficiencies is everyone's responsibility. HP LaserJet printers are designed with the environment in mind, so you can handle what you need while conserving energy wherever possible.
