Penguin A3 Laminating Gloss pouches - 100 pack

Product Overview

Penguin A3 Laminating Gloss pouches - 100 pack, 160 microns, Designed to protect and enhance documents, 160 microns thickness (80 microns each side)

Specifications

Overview:

The Penguin A3 Laminating Gloss Pouches 160 Microns Pack of 100 are designed to protect and enhance your important documents. These child-safe, round-cornered pouches consist of two sheets of laminate bonded on one side. By feeding the pouch through a laminator, the sheets are sealed, creating a durable laminated document. These high-quality pouches make your documents and photos water-resistant, durable, and hygienic. Suitable for medium-duty laminating of A3 documents, this pack includes 100 pouches, making it a practical choice for use at home, offices, schools, and restaurants. These 160 Microns (80 Microns Each Side) pouches provide strong rigidity, ideal for outdoor signage, bookmarks, and menus. The glossy finish enhances colour vibrancy for extra impact. These pouches ensure frequently handled documents remain clean and pristine for a professional look. Their gloss transparent design offers clear visibility, and rounded corners prevent sharp edges, enhancing safety. Their excellent preservation properties ensure important documents maintain their quality over time.

- Gloss Finish: Enhances And Brightens Images With A High Shine Effect, Making Your Projects Stand Out.
- Child-Safe Design: Round-Cornered Pouches For Added Safety.
- Easy To Use: Compatible With Wide Format Hot Seal Pouch Laminating Machines.

ComX Computers
