Product Specification Sheet

LT-2CDW

Logitech® Cordless Desktop Wave? - Black Keyboard

Comfort

- **Wave key design**: Contoured, wave-shaped key design conforms naturally to your fingers.
- **Constant Curve design**: A curved profile and uniform-size keys promote an ergonomically correct, more comfortable hand position. Start enjoying the benefits instantly, without having to re-learn typing on a different keyboard layout.
- **Cushioned, contoured palm rest**: The soft surface encourages a relaxed position for long typing sessions.
- **Adjustable keyboard height**: Use the three-way tilt legs to set the height to suit your personal style.
- **Comfortable mouse design**: Also built for comfort, with contoured sides and soft rubber grips, the high-performance laser mouse adds unmatched precision and control on virtually all surfaces.
- **Audio cable management**: Keep headphone cords out of the way by routing them through the channel on the underside of the keyboard.

Control and Convenience

- **Easy access to Windows Vista™**: Large, one-touch controls give you direct access to key Windows Vista™ features, including Flip 3D, Zoom, Photo Gallery, and Gadgets.
- **Instant media access**: Use the convenient one-touch controls for volume and media playback. A dedicated button starts Media Center or Front Row.
- **Programmable F-keys**: Get instant access to favourite applications, games, folders, and Web pages with customisable F-keys.
- **Longer battery life**: Enjoy extended battery life—up to 15 months for the keyboard and 6 months for the mouse. Battery status lights on both the keyboard and mouse alert you when power is getting low.
- **Cordless freedom**: End cable clutter with fast, reliable Logitech® wireless technology.
- **High-performance Laser Mouse**: Experience unmatched precision and control on surfaces where ordinary optical mice can't go.
