Logitech MX Master 4 Wireless High-Performance Mouse with Haptic feedback

Product Overview

Logitech MX Master 4 Wireless High-Performance Mouse with Haptic feedback - USB-C Bolt receiver - Graphite, Darkfield high Precision Sensor Technology, 8000 dpi Max Resolution, 8 buttons, Scroll Wheel, MagSpeed wheel with Smart Shift, Horizontal scroll, Thumb wheel, 70 days Battery Life, Logi Bolt USB receiver, 910-007562

Specifications

Overview Summary:

The Logitech MX Master 4 Wireless High-Performance Mouse is built for professionals who demand precision, speed and comfort in every task. With an advanced 8000 DPI Darkfield sensor that tracks on virtually any surface, including glass, and ultra-fast MagSpeed scrolling, it delivers smooth, accurate control whether you're editing, designing or managing large spreadsheets. Customisable haptic feedback and the intuitive Actions Ring help streamline your workflow and save valuable time.

Designed for long working hours, this ergonomic wireless mouse offers up to 70 days of battery life on a single charge and reliable Bluetooth or Logi Bolt USB-C connectivity. Compatible with Windows, macOS and more, it's a versatile choice for modern work setups. Upgrade your productivity and buy now to experience premium control and performance. Shop now and take your workflow to the next level.

Performance tier: High-end / Professional

Uses:graphic design, video editing, office productivity, programming, content creation, multitasking

Overview:

Logitech MX Master 4 Wireless High Performance Mouse with Haptic Feedback and USB C Bolt Receiver in Graphite is built for professionals who demand precision, speed, and immersive control. Powered by Darkfield high precision sensor technology with up to 8000 dpi, it tracks flawlessly on virtually any surface, including glass. The advanced MagSpeed scroll wheel delivers ultra fast scrolling at up to 1000 lines per second, while Smart Shift automatically adapts to your workflow. With 8 customizable buttons, horizontal scroll, thumb wheel control, and up to 70 days of battery life, this wireless mouse is engineered for serious productivity across Windows, macOS, Linux, ChromeOS, iPadOS, and Android.

Description:

The Logitech MX Master 4 wireless mouse combines tactile haptic feedback with high precision 8000 dpi tracking to deliver total control in demanding workflows. Its MagSpeed scroll wheel enables lightning fast navigation, while the customizable Actions Ring shortcuts help streamline repetitive tasks and save valuable time. Designed for comfort and durability with improved stain resistance, it connects via Bluetooth Low Energy or the included Logi Bolt USB C receiver for stable, secure performance. With a long lasting rechargeable battery and cross platform compatibility, it is ideal for creators, developers, designers, and multitaskers who need accuracy on any surface, including glass.

Features:

Immersive Control with Haptic Precision
The MX Master 4 introduces a new level of feedback with its integrated Haptic Sense panel. Customizable haptic feedback responds to specific actions, making your workflow more intuitive and engaging. Whether adjusting creative tools or triggering shortcuts, every action feels deliberate and precise.

The Actions Ring allows instant access to tools and commands directly at your cursor. In internal testing by Logitech Ergo Lab in 2025, users saved up to 33 percent of time across common desktop actions. Results vary depending on setup, but the productivity boost is clear.

Supported integrations include:

- Adobe Photoshop
- Adobe Lightroom Desktop

- Zoom
- Adobe Premiere Pro support coming via update

Ultra Fast Scrolling and Smart Navigation
The MagSpeed scroll wheel is engineered for both speed and accuracy. It can scroll up to 1000 lines per second in free spin mode while automatically switching to ratchet mode for precise line by line control. Smart Shift technology detects your scrolling style and adapts instantly.

Navigation highlights include:

- MagSpeed electromagnetic scroll wheel
- Horizontal scrolling via thumb wheel
- Dedicated gesture button
- 8 programmable buttons
- Smooth transition between precision and speed modes

Advanced 8000 DPI Tracking on Any Surface
Equipped with Darkfield high precision sensor technology, the MX Master 4 delivers adjustable sensitivity from 200 to 8000 dpi in 50 dpi increments. It tracks accurately even on glass surfaces, giving you freedom to work anywhere without a mouse pad.

Sensor details:

- Nominal value: 1000 dpi
- Adjustable range: 200 to 8000 dpi
- Works on glass and high gloss surfaces

Reliable Wireless Connectivity and Broad Compatibility
Enjoy stable performance with Bluetooth Low Energy 5.1 or the included Logi Bolt USB C receiver. The wireless range extends up to 10 meters, ensuring flexibility across desk setups and multi device environments.

System compatibility includes:

- Windows 10 and 11
- macOS 13 or later
- Linux
- ChromeOS
- iPadOS 15 or later
- Android 12 or later

Full customization is available through the Logi Options+ app on Windows and macOS, with basic functionality supported on other operating systems.

Long Lasting Battery and USB C Charging
The built in 650 mAh rechargeable battery delivers up to 70 days of use on a single charge, reducing downtime and keeping you focused. USB C charging ensures convenient power delivery with modern setups.

Battery details:

- Rechargeable 650 mAh battery
- Up to 70 days of battery life per charge

Design, Dimensions, and Build
Finished in Graphite, the MX Master 4 combines performance with a refined, durable build and improved stain resistance. Its ergonomic shape supports extended use during long work sessions.

Physical details:

- Height: 128.15 mm
- Width: 88.35 mm
- Depth: 50.8 mm
- Weight: 150 g
- Part number: 910 007562

Engineered for speed, precision, and responsible material choices, the Logitech MX Master 4 wireless mouse is a powerful tool for anyone seeking advanced control, customizable shortcuts, and seamless multi platform performance in a single high performance device.
