Specifications

About this product

Protect your PlayStation Portal handheld with the Hyperkin full body silicone protective skin, designed to shield against everyday scratches, drops, and dust while enhancing grip with a textured surface. Buy now from our website for added protection and comfortable gaming in South Africa today.

Overview Summary

The Hyperkin full body silicone protective skin is a flexible, durable cover tailored specifically for the PlayStation Portal. The soft yet resilient silicone guards your device from everyday wear and tear, helping preserve its condition during gaming sessions at home or on the go. Precision cutouts ensure full access to buttons, ports, and features without interference, while the textured finish delivers improved grip for long play sessions.

This protective skin is easy to install and remove without damaging your device, making it a practical accessory for gamers who want to protect their investment and improve handling comfort. Ideal for daily use or travel, this silicone skin helps keep your PlayStation Portal looking and feeling like new.

Performance tier:Protective accessory tier

Uses:scratch protection, drop protection, grip enhancement, dust resistance

Overview

Protect your PlayStation(RegTM) Portal with this full body silicone skin. Made from durable, flexible silicone, it provides a secure layer of protection against everyday scratches, drops, and dust. The textured surface offers improved grip for comfortable handheld play, while the precise cutouts ensure full access to all buttons, ports, and features. Easy to install and remove, this silicone cover helps keep your PlayStation(RegTM) Portal looking and feeling like new.

Description

This full body silicone protective skin by Hyperkin is perfect for PlayStation Portal owners who want to protect their handheld gaming device from the rigors of daily use. Made from premium silicone, it offers reliable protection against minor bumps, scratches, and dust while maintaining a slim profile that does not add bulk. The textured surface not only reinforces durability but also enhances grip to reduce slippage during intense gaming sessions.

With precise cutouts for all buttons, ports, and speaker openings, this skin preserves full functionality without hindering access. Installation and removal are simple, requiring no tools or adhesives, making it easy to swap or clean whenever needed. Ideal for everyday users or frequent travellers, this skin helps keep your PlayStation Portal in pristine condition for years to come.

FAQ

What does this silicone skin protect against

This silicone skin protects your PlayStation Portal from everyday scratches, minor drops, dust, and general wear while gaming at home or on the go.

Will the skin interfere with button or port access

No, the Hyperkin full body skin has precision cutouts that preserve full access to all buttons, ports, and features without hindrance.

Is it easy to install and remove

Yes, the silicone skin installs and removes easily without any tools or risk of damage to your device, making it simple to clean or replace when needed.

Does the skin improve grip

Yes, the textured silicone surface enhances grip and comfort, helping reduce slippage during long play sessions.

Can it be reused

Yes, the flexible silicone material allows you to remove and reapply the skin as needed without compromising its protective properties.
