Hyperkin Protective EVA Hard Shell Carrying Case for PlayStation Portal

Specifications

About this product

Buy the Hyperkin M07727 Protective EVA Hard Shell Carrying Case for PlayStation Portal to keep your handheld gaming device safe during travel and storage. Designed with a durable EVA hard shell exterior and a soft cushioned interior, this protective case helps shield your PlayStation Portal from scratches, bumps, and everyday impact damage while maintaining a compact and portable form factor. Shop now for reliable protection and carry your device with confidence anywhere in South Africa.

Overview Summary

Hyperkin M07727 Protective EVA Hard Shell Carrying Case for PlayStation Portalis a purpose-built protective storage solution designed specifically for the PlayStation Portal handheld console. It combines a rigid EVA outer shell with a soft inner lining to provide balanced protection against impact, pressure, and surface scratches.

This carrying case is ideal for gamers who travel or store their device frequently. The compact design ensures easy portability in backpacks or luggage, while the secure zipper closure keeps the console safely enclosed. The interior cushioning helps stabilize the device and reduce movement during transport.

Built for convenience and durability, the case offers everyday protection without adding bulk. It is suitable for both home storage and mobile gaming setups, ensuring your PlayStation Portal remains protected and ready for use at all times.

Performance tier: Mid-range protective accessory

Uses: Travel protection, device storage, gaming accessory transport, scratch prevention, impact protection

Description

The Hyperkin M07727 EVA Hard Shell Carrying Case is engineered to provide dependable protection for the PlayStation Portal. Its rugged exterior shell is designed to resist external pressure and minor impacts, while the soft inner lining cushions the device against scratches and movement damage. The case is shaped to fit the console securely, helping maintain stability during transport.

A high-quality zipper closure runs around the case to ensure the device remains safely enclosed, while the lightweight construction makes it easy to carry on the go. Whether used for daily commuting, travel, or storage at home, this case offers a practical solution for keeping your PlayStation Portal protected and ready for use.

Features

Designed for durability, portability, and reliable device protection, this case includes:

FAQ

Is this case specifically designed for the PlayStation Portal?

Yes, the Hyperkin M07727 is designed to fit the PlayStation Portal securely, offering a snug and protective fit during transport and storage.

Does the case protect against drops and impacts?

The EVA hard shell exterior is designed to absorb minor impacts and protect the device from bumps, scratches, and pressure damage during travel.

Is the case suitable for travel?

Yes, the compact and lightweight design makes it ideal for travel, allowing users to safely carry their PlayStation Portal in bags or luggage.

Does the interior prevent scratches?

The soft cushioned interior helps prevent scratches and reduces movement of the device inside the case.

Can accessories be stored inside?

This case is primarily designed for the PlayStation Portal device itself, focusing on secure fit and protection rather than additional accessory storage.
