Product Overview

Hyperkin White PowerArc Charging Dock for PlayStation Portal

Specifications

About this product

Buy the Hyperkin PowerArc Charging Dock for PlayStation Portal (M07735-WH) to keep your handheld gaming device powered, organised and ready for instant play in South Africa. This sleek drop-in charging dock delivers fast and reliable charging with a stable, non-slip base and compact design, making it ideal for modern gaming setups where convenience and clean cable management matter.

Overview Summary

Hyperkin PowerArc Charging Dock for PlayStation Portal - Whiteis a purpose-built charging solution designed specifically for the PlayStation Portal handheld device. It allows easy drop-in charging without the need for repeated cable connection, helping protect the device port while keeping your gaming space tidy and organised.

With its compact footprint and stable construction, this dock is ideal for everyday use. The non-slip base ensures the device remains secure while charging, while the modern design blends seamlessly into gaming setups, entertainment units or desks.

Engineered for convenience, the dock provides reliable power delivery so your PlayStation Portal is always ready for remote play sessions. It is designed to support consistent charging performance while maintaining a clean and minimal aesthetic.

Performance tier: Mid-range accessory

Uses: Charging PlayStation Portal, gaming setup organisation, device display stand, cable-free charging convenience

Description

The Hyperkin PowerArc Charging Dock for PlayStation Portal in white is a dedicated charging stand designed to simplify and enhance your gaming experience. Built for seamless drop-in charging, it eliminates the hassle of cables while ensuring your device remains securely positioned during power-up sessions.

The dock features a compact and modern design that complements any gaming environment, whether placed on a desk, entertainment unit or bedside table. Its stable base helps prevent slipping or movement, offering peace of mind while your device charges.

Perfect for regular gamers, this charging dock supports consistent daily use and helps maintain your PlayStation Portal in ready-to-play condition at all times.

- Connection: USB powered charging dock

FAQ

Is this charging dock compatible with PlayStation Portal?

Yes, the Hyperkin PowerArc Charging Dock is specifically designed for the PlayStation Portal handheld device.

Does it require plugging in the USB-C cable every time?

No, the drop-in design allows you to simply place the device onto the dock for charging without repeatedly plugging in cables.

Is the dock stable during charging?

Yes, it includes a non-slip base and balanced structure to keep the PlayStation Portal secure while charging.

Can it help protect the charging port?

Yes, using a dock reduces repeated cable insertions, which helps reduce wear on the device charging port over time.
