USB Drive with SSD Performance

The Verbatim Dual QuickStick offers the speed and performance of an SSD in the compact form of a USB drive. With lightning-fast read speeds up to 550MB/s and write speeds up to 500MB/s, you can transfer large files in seconds. Its dual-interface design, featuring both USB-A and USB-C connectors, ensures seamless compatibility with a variety of devices, from older laptops to the latest smartphones and tablets.

Compact, Robust, and Built to Last

Designed for both portability and durability, the Dual QuickStick is housed in a sleek metal enclosure that's built to withstand daily use. At just 81.5mm x 18mm x 10.8mm and weighing only 32g, it's lightweight and easy to carry, making it an ideal travel companion for anyone needing high-speed data storage on the go.

Versatile Storage and Backup Solution

The Dual QuickStick isn't just about speed-it also provides practical storage solutions for daily use. Whether you're transferring work documents, photos, or videos, this drive makes it simple to back up your important files.

For added security, *Nero Backup software is provided to help you back up all your files, folders, and drives from your laptop or PC whenever you want. It also allows you to schedule an auto back up to a set time and day to ensure that it gets done regularly!

*Nero Backup Software is only compatible with Windows OS.
