- Multiple connectivity options: USB-C, HDMI, USB-A
- Supports Low Blue Light and FreeSync for comfortable viewing and smooth visuals

Overview:

Portable 13.3-Inch Touchscreen Monitor with Wireless Power
Experience productivity and entertainment on the go with the Verbatim 32087 portable touchscreen monitor. Designed for flexibility and performance, this 13.3-inch display combines high resolution, intuitive touch controls, and wireless power, making it perfect for remote work, gaming, or creative projects.

Description:

This portable touchscreen monitor offers WUXGA resolution (1920 x 1200) with 16.7 million colours and HDR support for vivid visuals. Its 10-point multi-touch screen provides seamless gesture control, while IPS technology ensures consistent brightness and accurate colours from wide viewing angles. Built with a lightweight aluminium frame, integrated speakers, and a magnetic 5000mAh wireless power bank, it delivers convenience and performance wherever you are.

Features:

Immersive Visual Clarity
Enjoy sharp, detailed visuals with a 16:10 aspect ratio that gives you extra vertical screen space for multitasking, browsing, or document viewing. HDR enhances contrast and brightness for lifelike content, while IPS technology provides wide 178-degree viewing angles. Whether editing photos, streaming videos, or working on spreadsheets, the display ensures vibrant, accurate colours from every angle.

Compact Design for On-the-Go Use
The monitor's slim aluminium body combines durability with portability. The built-in 2x2W speakers deliver clear audio without additional accessories, while the integrated kickstand and tilt function allow flexible positioning anywhere. The intuitive 10-point multi-touch interface supports swipe, drag, pinch, and scroll gestures, making interaction fast and effortless.

Seamless Wireless Power Solution
Say goodbye to wall sockets. The included 5000mAh wireless power bank attaches magnetically to the back of the monitor, providing stable power for extended mobile use. USB-C connections deliver both video and power, while HDMI connectivity keeps the display running even when external power is unavailable. Ideal for travel, remote work, or casual gaming, this monitor ensures you stay powered up anytime, anywhere.

Connectivity and Compatibility

- 2x Full-Featured USB-C ports for video, data, and power
- 1x Standard HDMI 1.4 for universal device support
- 1x USB Type-A 2.0 port
- 1x 3.5mm audio jack for external audio devices
- Integrated 2x2W speakers for on-the-go sound

Enhanced Viewing and Eye Comfort
Supports Low Blue Light technology to reduce eye strain during long sessions. With FreeSync and HDR, gaming and media

playback are smooth and visually stunning. The versatile design makes it an ideal second screen for laptops, tablets, smartphones, or gaming consoles.
