Overview Summary

Verbatim 49020 Go Mini Optical Travel Mouse

The Verbatim Go Mini Optical Travel Mouse is designed for users who need a lightweight and portable wired mouse for use with notebooks and desktop computers. Its retractable USB cable helps reduce cable clutter while making it easy to pack into a laptop bag, backpack, or travel case.

Equipped with a 1000 DPI optical sensor, the mouse provides smooth and accurate cursor control for everyday computing

tasks. The compact ambidextrous shape is suitable for both left and right handed users, making it an excellent companion for work, travel, education, and home office use.

Performance tier: Entry-level

Uses: Travel, office work, laptop use, home computing, education, business travel

Overview

With its retractable USB cable and portable design, the Go Mini Optical Travel Mouse is designed to fit easily in a pocket or laptop case. Go Mini is available in four colours; Black, Hot Pink, Volcanic Orange and Caribbean Blue. It has a 1000 dpi optical lens and can be used in either the left or right hand.

Description

The Verbatim 49020 Go Mini Optical Travel Mouse is built for users who require a reliable pointing device while travelling or working on the move. Its ultra portable design easily fits into small laptop bags, backpacks, and briefcases, while the retractable USB cable helps prevent tangles during transport.

The optical sensor delivers accurate 1000 DPI tracking for everyday productivity including web browsing, document editing, email, spreadsheets, presentations, and general office applications. The comfortable symmetrical shape allows both left and right handed operation, while plug and play USB connectivity provides quick installation without requiring batteries.

The mouse is compatible with supported Windows and Mac operating systems and offers dependable wired performance without wireless pairing or charging requirements.
