Beats - Beat Box Portable iPod Dock - White

Specifications

Overview:

The Beatbox Portable speaker system was designed to unleash the high-powered Beats by Dr. Dre sound no matter where the party goes. There's pretty much no device, mix or sound it can't handle.

Features:

Incredibly powerful sound.
Despite its compact size, the Beatbox Portable speaker brings soaring highs and deep, booming bass to every room in the house. It's wireless too, so no cords to worry about.

Change tracks from your phone.
Or your laptop, or any other Bluetooth-enabled device from up to 30 feet away. Beatbox Portable supports SBC, APT-X and AAC Bluetooth, which means you'll always get much high-quality sound than most other Bluetooth devices.

Totally portable.
If you've got an outlet or 6 "D" cell batteries, you're good to set up anywhere. Just grab it by the handles and go. You can dock and charge an iPod or iPhone on the top, or plug into the back with a 3.5mm jack.

Remote control your beats.
In addition to Bluetooth connectivity, Beatbox Portable also comes with a pocket-sized remote that lets you pause, play or change tracks from across the room.

Specifications:

- Weight (kg): 4.00
- Height (mm): 171
