Product Overview

Yealink MeetingDisplay PTZ bracket, Bracket for UVC86 and SmartVision 80, 100 mm x 45 mm hole spacing dimension

Specifications

Overview Summary:

The Yealink MeetingDisplay PTZ Bracket is a hassle-free solution for mounting your UVC86 and SmartVision 80 cameras to the MeetingDisplay. Designed for quick and easy setup, this bracket eliminates the need for wall drilling, allowing businesses to enhance their video conferencing systems without the mess or complexity of traditional installations. The tool-friendly design ensures a smooth and swift assembly process, saving you time and effort. Perfect for any modern meeting space, the Yealink PTZ Bracket provides flexibility, reliability, and a clean installation. Buy now and streamline your conference room setup today!

Performance tier: High-quality, easy-to-install video conferencing hardware

Uses: Video conferencing, meeting room setups, seamless camera mounting, business environments, tech installations

Overview:

Yealink MeetingDisplay PTZ Bracket for UVC86 and SmartVision 80
The MD-PTZBracket offers a straightforward solution for mounting Yealink's UVC86 and SmartVision 80 cameras to the MeetingDisplay. Designed with ease of installation in mind, this bracket eliminates the need for wall drilling, providing a hassle-free setup experience. Simply secure the bracket in place, hang your MeetingBar and display, and you're good to go.

Description:

The MD-PTZBracket is a purpose-built mounting solution that ensures quick and easy integration of your UVC86 or SmartVision 80 with the Yealink MeetingDisplay. This mounting bracket is designed for users who need a reliable and tool-friendly installation. Thanks to its customized design, setting up the system becomes a simple process, reducing time and effort while improving the overall user experience. The bracket's easy installation process means no more drilling into walls, making it ideal for businesses that require flexibility and convenience when setting up their meeting spaces.

Features:

Key Advantages:

- Quick and simple installation process
- Seamlessly attaches to the MeetingDisplay
- No need for wall drilling, ensuring a clean setup
- Tool-friendly design for fast assembly
- Perfect for enhancing your video conferencing environment
