Buy now from our site for a compact 6kg washing machine with convenient wash programmes and efficient water usage.

Overview Summary

Midea MF100W60-T 6kg Front Loader Washing Machine

The Midea MF100W60-T is a freestanding 6kg front loader washing machine designed for everyday laundry. Its 1000rpm spin speed helps remove water from clothes during the spin cycle, while the 49L water consumption provides a practical option for regular household washing. The titanium finish, front loading design and LED display give the appliance a clean and functional appearance.

The washing machine includes Health Guard Wash Technology, Tumble Wash and Steam Wash Technology, together with programmes and functions such as Hygiene 90 degrees, 15 minute Quick Wash, Rapid 45 minute, Pre-Wash, Extra Rinse and Delay Start. The Hygiene 90 degrees programme is designed for enhanced cleaning and sterilization, while Pre-Wash provides an additional washing stage for heavily soiled laundry.

Performance tier:Everyday household washing

Uses:everyday laundry, clothing, household fabrics, lightly soiled laundry, heavily soiled laundry, quick washing

Overview

Midea's 6kg front loader in Titanium is a compact A+++ washer built for small households, with a 6kg wash capacity, 1000 RPM spin speed, and 15-minute quick wash support. It uses 49L of water per cycle and 0.673 kWh per cycle, while the 2050W unit runs on 220-240V, 50Hz, with a maximum current of 10A. Noise is rated at 64 dB during washing and 79 dB during spinning, and the freestanding design makes it easy to place in most laundry spaces.

Description

The Midea MF100W60-T is a 6kg front loading washing machine designed for convenient everyday laundry. Its compact 595 x 400 x 850 mm dimensions make it suitable for laundry areas where floor space is important, while the freestanding installation design allows flexible positioning.

The 6kg washing capacity provides space for regular household laundry loads. The 1000rpm maximum spin speed is designed to extract water from clothing during the spin cycle. Water consumption is rated at 49L, while the machine has a rated power of 2050W and operates from a 220-240V supply at 50Hz.

Midea Health Guard Wash Technology is designed to support enhanced fabric hygiene. Tumble Wash provides the washing action required for everyday laundry, while Steam Wash Technology is included as part of the appliance feature set. The Hygiene 90 degrees programme is designed for enhanced cleaning and sterilization, making it suitable when a higher temperature wash is required.

For time-sensitive laundry, the 15 minute Quick Wash programme is designed for small loads of up to 1.0kg, while the Rapid 45 minute programme provides another shorter wash option. Pre-Wash adds an additional washing stage for heavily soiled clothing, and Extra Rinse provides an additional rinse option.

The integrated digital control system uses an LED display and Lunar Dial control design to assist with programme selection and process monitoring. Delay Start provides additional scheduling flexibility, while Child Lock helps prevent unintended

operation or changes to settings.

The titanium colour gives the washing machine a modern appearance, while the 64 dB washing noise level and 79 dB spinning noise level provide clearly defined operating noise ratings. The appliance is supplied for cold water connection and has a specified operating water pressure range of 0.05MPa to 1MPa.

Features

The Midea MF100W60-T combines practical washing programmes with dedicated cleaning and hygiene functions for everyday household laundry.

- 6kg washing capacity: Suitable for regular household laundry loads.
- 1000rpm spin speed: Provides high speed spinning to help remove water from laundry.
- Health Guard Wash Technology: Provides a dedicated wash technology focused on enhanced laundry hygiene.
- Tumble Wash: Uses tumbling action as part of the front loading washing process.
- Steam Wash Technology: Adds steam-based washing technology to the appliance feature set.
- Hygiene 90 degrees programme: Designed for enhanced cleaning and sterilization.
- 15 minute Quick Wash: Designed for small loads of up to 1.0kg when a short wash cycle is required.
- Rapid 45 minute programme: Provides a shorter washing option for everyday laundry.
- Pre-Wash function: Adds a pre-wash stage for heavily soiled clothing.
- Extra Rinse function: Provides an additional rinse stage.
- Delay Start function: Allows the wash programme to be scheduled for a later time.
- Child Lock: Helps prevent unintended operation or changes to settings.
- LED display: Provides digital programme and operating information.
- Lunar Dial control: Provides integrated programme selection and process tracking.
- Low water consumption: Rated at 49L water consumption.
- Freestanding installation: Designed for standalone installation in a suitable laundry area.
- Titanium finish: Provides a modern finish for the appliance exterior.

Whats in the Box

- 1 x Midea MF100W60-T 6kg Front Loader Washing Machine
- 1 x Water supply hose
- 4 x Transport bolt cover caps
- 1 x Owner manual
