Overview:

Brother MFC-L2805DW is a compact 4-in-1 monochrome laser multifunction printer designed for printing, scanning, copying, and faxing in home and small office environments. Built for productivity, it delivers fast output, reliable connectivity, and efficient paper handling in a space-saving design. This model is also identified by SKU MFC-L2805DW and is positioned as a mid-range business-focused solution for everyday document workflows.

Description:

The Brother MFC-L2805DW combines high-speed mono laser printing with versatile all-in-one functionality, making it suitable for busy work environments that require consistent document output. It supports wireless and wired connectivity, automatic duplex printing, and a 50-sheet automatic document feeder to streamline multi-page tasks. With mobile printing support and a compact footprint, it enables efficient operation from virtually any workspace while reducing manual intervention in routine printing, scanning, copying, and faxing tasks.

Features:

Compact Business Printing for Everyday Productivity

Designed for efficiency, this mono laser printer delivers dependable performance for document-heavy tasks. It integrates

essential office functions into a single device, reducing the need for multiple machines while maintaining consistent print quality and speed.

High-Speed Mono Laser Output and Print Quality

The printer produces sharp monochrome documents at speeds of up to 34 pages per minute, making it suitable for high-volume workloads. With a print resolution of up to 1200 x 1200 dpi, text and graphics remain clear and professional across all business documents.

Key print capabilities include:

- Up to 34 ppm print speed for fast document turnaround
- Up to 1200 x 1200 dpi resolution for crisp output
- Automatic duplex printing for double-sided documents
- First page print in under 8.5 seconds

All-in-One Functionality for Office Tasks

The device integrates printing, scanning, copying, and faxing in one unit, reducing workspace clutter and improving operational efficiency. The automatic document feeder supports multi-page scanning and copying without manual sheet handling.

Core functions include:

- Print, scan, copy, and fax in one device
- 50-sheet automatic document feeder for batch processing
- Copy support up to 99 pages in one job
- Scanner glass resolution up to 1200 x 1200 dpi
- ADF scanning resolution up to 600 x 600 dpi

Paper Handling and Capacity

Built for continuous use, the printer offers a generous paper input tray and flexible media support. It handles various paper types and sizes, supporting both standard office printing and specialised document formats.

Paper handling details:

- Up to 250-sheet main input capacity
- Up to 120-sheet output capacity
- Supports A4, A5, A6, Letter, Legal, Executive, and Folio sizes
- Manual feed slot for envelopes, labels, and thicker media

Connectivity and Mobile Integration

The Brother MFC-L2805DW supports multiple connectivity options, allowing integration into wired or wireless office networks. Mobile printing and scanning are enabled through dedicated applications for Android and iOS devices.

Connectivity options:

- WiFi Direct and wireless LAN support
- Ethernet 10/100 Mbps networking
- Hi-Speed USB 2.0 connection
- Mobile printing via Brother Mobile Connect and iPrint and Scan

Efficient Design and Office Performance

Engineered for compact spaces, the device maintains a small footprint while offering full multifunction capability. Quiet mode operation helps reduce noise in shared work environments, and energy-efficient design supports lower power consumption during standby and sleep modes.
