

MFC-L8970CDW

Brother MFC-L8970CDW Colour Laser A4 Multi-Function Printer, Print, Copy, Scan, Fax, Duplex, WiFi, USB, LAN

Product Overview

Brother MFC-L8970CDW Colour Laser A4 Multi-Function Printer, Print, Copy, Scan, Fax, Full Duplex print, 31ppm print Speed, Scanner Glass, Automatic Document Feeder (ADF) Scanner up to 600x600 dpi Resolution, Wi-Fi, USB, Ethernet LAN, 17.6 cm Colour Touchscreen, 250-sheet Standard paper Input, 150 sheets paper Output, iPrint&Scan, AirPrint

Specifications

Overview Summary:

The Brother MFC-L8970CDW Colour Laser Multifunction Printer is built for demanding office environments that require speed, reliability, and professional output. With fast print speeds of up to 31 pages per minute, full duplex printing, and high-capacity paper handling, this all-in-one device keeps your workflow efficient and uninterrupted. Its large touchscreen and flexible connectivity options, including Wi-Fi and mobile printing, make it easy to manage tasks across teams.

Designed for productivity, this printer combines print, copy, scan, and fax capabilities in one compact unit. High-speed scanning and an automatic document feeder allow quick digitisation of documents, while built-in security features help protect sensitive business data. Whether you're upgrading your office setup or expanding your print capacity, this is a dependable solution-buy now and streamline your business operations.

Performance tier:High-volume business

Uses:office printing, document scanning, bulk copying, business faxing, team workflows

Overview:

The Brother MFC-L8970CDW Colour Laser A4 Multi-Function Printer is engineered for demanding office environments where speed, consistency, and workflow efficiency are critical. Designed to handle high print volumes with minimal interruption, this all-in-one device integrates printing, scanning, copying, and faxing into a single, space-conscious unit. Its responsive touchscreen interface and scalable paper handling help streamline daily operations, while robust connectivity ensures seamless integration into modern business networks.

Description:

The Brother MFC-L8970CDW (Part Number: MFC-L8970CDW) is a high-performance colour laser multifunction printer tailored for busy workgroups. It delivers fast print speeds, high-resolution scanning, and reliable duplex functionality to support document-heavy workflows. With advanced connectivity options including Wi-Fi, Ethernet, and mobile printing, it enables flexible access across teams. Its large touchscreen simplifies operation, while expandable paper capacity and high-yield toner compatibility help reduce user intervention and maintain productivity.

Features:

Built for high-demand office printing

Consistent output speeds of up to 31 pages per minute in both colour and mono allow teams to keep pace with tight deadlines. The fast first page out time reduces waiting, making it suitable for environments where quick turnaround is essential.

All-in-one capability for streamlined workflows

Combining print, scan, copy, and fax functionality eliminates the need for multiple devices. This consolidation improves efficiency and reduces workspace clutter without compromising performance.

High-speed scanning and document handling

An 80-sheet automatic document feeder supports rapid duplex scanning, reaching speeds of up to 100 images per minute. This makes it easier to digitise, archive, and distribute documents efficiently across teams.

User-friendly control interface

A 17.6 cm colour touchscreen provides direct access to key functions, allowing users to manage tasks, configure settings, and navigate workflows with minimal training.

Flexible connectivity for modern offices

Designed to adapt to various IT environments, the device supports:

- Wireless networking and Wi-Fi Direct for cable-free operation
- Ethernet LAN for stable, high-speed connections
- USB connectivity for direct access
- Mobile printing via iPrint and AirPrint
- NFC capability for quick authentication and print release

Paper handling and scalability

The standard 250-sheet input tray supports everyday printing needs, while optional trays expand total capacity up to 1340 sheets. This reduces the frequency of paper refills in high-volume settings.

Key paper handling details:

- 250-sheet standard tray and 50-sheet multipurpose tray

ComX Computers

Product Specification Sheet

- Optional additional trays for expanded capacity
- 80-sheet ADF for batch scanning and copying
- 150-sheet output tray for completed jobs

Core technical details

- Print speed: up to 31 ppm (colour and mono)
- Duplex printing: automatic double-sided output
- Scan resolution: up to 600 x 600 dpi via ADF
- Display: 17.6 cm colour touchscreen
- Dimensions: 505 x 454 x 460 mm
- Weight: 26.8 kg

Media compatibility and flexibility

Supports a wide range of paper types and sizes to accommodate different business needs:

- Paper types: plain, recycled, coloured, letterhead, thin and thick stock, envelopes, labels
- Sizes: A4, Letter, Legal, Executive, A5, A6, B5, B6, Folio, and more
- Multipurpose tray supports envelopes and custom sizes

Efficient copying and scanning controls

- Copy up to 999 pages with sorting and stacking
- Adjustable scaling from 25 percent to 400 percent
- Flatbed and ADF scanning for versatility

Network and security readiness

Advanced wireless security protocols ensure safe operation across shared networks, supporting WPA3 and other modern encryption standards. This helps protect sensitive documents and maintain compliance in business environments.

Energy-conscious operation

Optimised power consumption across operating modes helps reduce overall energy usage:

- Ready mode: approximately 60 W
- Sleep mode: approximately 8.4 W
- Power off: approximately 0.04 W

Why this device suits business environments

Colour laser technology is well suited to offices that prioritise reliability, speed, and consistent output quality. The Brother MFC-L8970CDW maintains sharp text and vibrant colour across a wide range of documents, making it a dependable choice for reports, presentations, and client-facing materials.

With its combination of performance, scalability, and usability, the MFC-L8970CDW stands as a practical solution for organisations seeking efficient document management and high-volume printing capability.

Specifications	
Product Code	MFC-L8970CDW
Basic Specs	

ComX Computers

Product Specification Sheet

Functions	Print, Copy, Scan, Fax, A4 Printing, Double-Sided Printing
Printer Type	Colour Laser
Dimensions	505 (D) x 454 (W) x 460 (H) mm
Weight	26.8kg
Print Speed	31 / 31 ppm (A4/Letter)
Paper Type	Plain Paper, Thin Paper, Recycled Paper, Colored Paper, Letter Head
Paper Size	A4, Letter, B5(JIS), A5, B6(JIS), Executive, Legal, A4 Short, Folio, 16k (195x270mm), India Legal, Mexico Lega
Maximum Paper Capacity	Up to 1,340 Sheets (with added optional trays)
What's in the box	Inbox toner: Up to 10,000 pages (Black), Up to 6,500 pages (CMY) in accordance with ISO/IEC 19798
Print	
2-Sided Duplex Paper Type	Plain Paper, Letterhead, Coloured Paper, Thin Paper, Thick Paper, Thicker Paper, Recycled Paper, Glossy Paper
2-Sided Duplex Paper Size	A4
Paper Handling	
Tray 1 - Paper Type	A4, Letter, A5, A5(Long Edge), A6, Executive, Legal, Folio, Mexico Legal
Tray 1 - Paper Size	A4, Letter, A5, A5 (Long Edge), A6, Executive, Legal, Folio, Mexico Legal
Tray 1 - Maximum Paper Capacity	Up to 250 sheets of 80 g/m2 Plain Paper
Tray 2 - Maximum Paper Capacity	Up to 250 sheets of 80 gsm plain paper
Tray Multi-purpose - Paper Type	Plain Paper, Thin Paper, Thick Paper, Thicker Paper, Recycled Paper, Bond Paper, Label, Envelope, Env.Thin, Env.Thick, Glossy Paper
Tray Multi-purpose - Paper Size	Width: 76.2 to 215.9 mm (3" to 8.5")Length: 127 to 355.6 mm (5" to 14")Envelope: COM-10, DL, C5, Monarch
Tray Multi-purpose - Maximum Paper Capacity	Up to 50 sheets of 80 g/m2 Plain Paper (Up to 10 envelopes)
Automatic Document Feeder (ADF) Maximum Paper Capacity	Up to 80 sheets (80 g/m ²) A4/Letter size
Paper Output	Up to 150 sheets of 80 gsm Plain paper (face-down delivery to the face-down output paper tray)
Copy	
Multiple Copies	Sorts/Stacks (up to 999 pages)
Enlarge/Reduce	25% to 400% (in increments of 1%)
Scan	
Resolution - Scanner Glass	Width: Up to 215.9 mm Length: Up to 300 mm
Resolution - Automatic Document Feeder (ADF)	Up to 600 x 600 dpi
Fax	
Compatibility	ITU-T Super Group 3
Modem Speed	ITU-T Super Group 3

ComX Computers

Product Specification Sheet

Memory Transmission	ITU-T Super Group 3
Out of Paper Reception	ITU-T Super Group 3
Connectivity	
Connectivity	Wireless Network/Wi-Fi Direct, Ethernet Networking
WiFi Direct	Yes
Network	
Wireless Network Security	WEP 64/128 bit, WPA-PSK (TKIP/AES), WPA2-PSK (TKIP/AES), WPA3-SAE (AES)*Wi-Fi Direct supports WPA2-PSK (AES) only.
Operation	
Power Source	AC 220 to 240V 50/60Hz
Power Consumption - Ready	Approx. 60 W
Power Consumption - Sleep	Approx. 8.4 W
Power Consumption - Power Off	Approx. 0.04W
Noise Level	49 dB(A)
Software and Apps	
Mobile Apps	iPrint&Scan, AirPrint
