Specifications

Overview:

Beats Fit Pro - true wireless noise cancelling earbuds that comfortably lock in place, however you move through your day.

- COMFORTABLE SECURE-FIT WINGTIPS
- ACTIVE NOISE CANCELLING
- SUPPORTS SPATIAL AUDIO
- COMPATIBLE WITH APPLE & ANDROID

Features:

Designed for comfort

Beats Fit Pro is equipped with comfortable, secure-fit wingtips that flex to fit your ear. The universal wingtip design was put to

the ultimate test by athletes of all kinds so you can trust these earbuds will stay put through work days and workouts.

Three soft silicone eartip options make it easy to find the right size.

For a comfortable, secure fit, gently twist earbud back and tuck wingtip into upper ear.

Surrounds you in sound

Beats Fit Pro supports Spatial Audio with dynamic head tracking for immersive music, movies, and games . Dynamic head tracking uses gyroscopes and accelerometers to adjust the sound as you turn your head, for a multi-dimensional experience that makes you feel like you're inside of it.

Active Noise Cancelling - Transparency

Blocks external noise for immersive sound.

Stay aware of your surroundings.

On-device controls

On-device controls allow you to manage music, toggle listening modes as well as take calls and activate voice assistant using the ' b' button.

High-quality call performance

Dual beamforming microphones pinpoint your voice while a digital processor cuts out external noise and wind, so your voice is clear and easy to hear.

Up to 24 hours of combined playback

The earbuds have up to 6 hours of listening time (with ANC turned on) plus an additional 18 hours provided by its pocket-sized charging case.

If you need a little extra juice, 5-minute Fast Fuel charging gives up to 1 hour of playback when battery is low.

Enhanced by the Apple H1 chip

iOS users will enjoy features like Automatic Switching between devices, Audio Sharing with another pair of Beats headphones or Apple AirPods, and hands-free "Hey Siri" on Apple devices.

Compatible with Android

Beats Fit Pro easily connects to most Apple and Android devices via Bluetooth right out of the box.

With the Beats app for Android, you'll get additional features like one-touch pairing, customized controls, battery levels, firmware updates, and a Fit Test to help you get the best sound and fit out of your earbuds.

What's in the box

- Beats Fit Pro Earbuds
- Pocketable charging case
- Eartips with three size options
- USB-C to USB-C charging cable
- Quick Start Guide
- Warranty card
