Mad Catz M.O.J.O. M1 Lightweight Wired Gaming Mouse - USB

Product Overview

Mad Catz M.O.J.O. M1 Lightweight Wired Gaming Mouse - USB, PMW 3360 Sensor name, 12000 dpi (Dot per inch) Max Resolution, 50g acceleration, 1000Hz polling rate, Ergonomic & Right-Handed shape, 8 programable buttons, 5 Profile, RGB illumination, 1.8 m cable length

Specifications

Overview:

M.O.J.O. M1

Lightweight Gaming Mouse

The M.O.J.O. M1 is a remarkable gaming mouse designed for true gamers who crave a mouse with a lightweight, high performance, and distinctive design. At only 70 grams of weight, the M.O.J.O. M1 offers an unrivaled mousing experience and extraordinary comfort for gamers with different grip styles.

The patented DAKOTA Technology with durable mechanical Switch ensures not only instant response times but also 60-million clicks lifespan. The 12K DPI optical sensor perfects the gamer's every command in the savage battlefield. A built-in RGB light portraits unique gaming styles when competing with other players.

- Ultra lightweight 70g design
- The interwoven structure with ergonomic shape for different grip styles
- DAKOTA Technology - 2ms of response time, 60% faster than traditional switches.
- Durable switches - rated for 60M clicks
- 12K DPI optical sensor
- Driver-free design for plug-and-play

Features:

Lightweight for Perfect Shape

The design principle of M.O.J.O. M1 mouse centers around the avian nest. The interwoven structure between the exterior and interior layers accentuates the design details. On the shell, the hollow design alleviates grip pressure and offers the ultimate comfort. Moreover, its asymmetric triangular design gives this gaming mouse an eye-catching look.

The paracord cable maximizes mouse flexibility and mobility. With only 70g of weight, this mouse performs quicker and smoother swipes.

Designed for Different Grip Styles

The hollow-pyramid design accommodates different grip styles while minimizing the grip pressure during lengthy gaming hours. This delicate design enables the gamer to mouse effortlessly for hours, while reducing video gaming injuries of the hands, wrists and forearms.

Mad Catz DAKOTA Technology with Durable Switches

Mad Catz utilizes advanced signal-detection techniques to eliminate the bouncing and debouncing effect of the sensor pin. This technology accurately registers each signal and allows the sensor pin to perform accurate clicks. Moreover, the technology accelerates the response time to within only 2 milliseconds - which is 60% faster than other mechanical switches!

Durable Lifespan

The switches also provide a life expectancy in excess of 60 million clicks, ensuring that your gaming mouse won't let you down in the heat of the action!

Go Hunting with 12K Optical Sensor

The advanced PMW3360 optical sensor ensures the superior precision and tracking ability that keeps you alive when demolishing your rivals.

Better Performance, Gorgeous Lights

The M.O.J.O. M1 is a lightweight gaming mouse, you can intuitively adjust LED effects and DPI directly by software, Even no software installation is needed to activate this function.

Mad Catz Software

The software aims at combining your complex setup into an extension of the game with one integration while giving vivid lighting effects throughout the mouse chassis.

With fully customizable macros and hotkeys, also with the precise mouse sensitivity adjustments, you will have the complete edge over your rivals in a fierce battle.

ComX Computers

Product Specification Sheet

The lighting profiles such as COLOR SHIFT or BREATHING turn your mouse into a reflection of the battlefield, making your fight more specific.

Specifications	
Product Code	MM04DCINBL000-0
Product Information	
Product Name	M.O.J.O. M1
Model Number	MM04DCINBL000-0
Sensor System	
Sensor Name	PMW 3360
Sensor Type	Optical
DPI (Dot Per Inch) Max	12000
IPS (Inch per Second)	250
Acceleration	50G
Polling Rate	1000Hz / 1ms
Design	
Shape	Ergonomic / Right-Handed
Grip Style	Palm Grip / Claw Grip
Programable Buttons	8
Profile	5
Switch	60M Clicks
Illumination	RGB
Weight (g)	70
Length (mm)	120
Width (mm)	79.3
Height (mm)	39
Cable Type	Paracord
Cable Length	1,8 m
Compatibility	
System Requirements	Windows 7, 8, Vista, 10
