MOVEV32030

Verbatim Metal Mini 512GB USB 3.2 Gen 2x2 external Solid State Drive

Product Overview

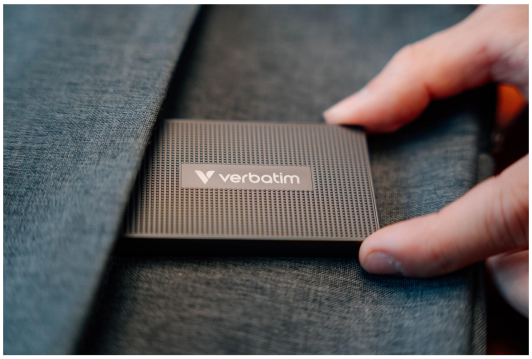

Verbatim Metal Mini 512GB USB 3.2 Gen 2x2 external Solid State Drive, M.2 SSD Form Factor, Up to 2000MB/s Read Speed, Up to 1750MB/s Write Speed, Metal enclosure, 32030

Specifications

Overview Summary:

Ultra-fast storage performance meets compact durability with the Verbatim Metal Mini 512GB SSD. Designed for users who need reliable, high-speed data transfer, this portable drive delivers exceptional performance with USB 3.2 Gen 2x2 connectivity and a robust metal enclosure built for everyday mobility. Whether you're handling large media files, backing up critical data, or transferring work between devices, it ensures fast and efficient operation.

Ideal for professionals, creators, and everyday users in South Africa, this SSD supports both Windows and Mac systems and offers plug-and-play convenience via USB-C with an included USB-A adapter. Its compact form factor makes it easy to carry, while the high transfer speeds allow you to move large files in seconds. Buy now or shop now to upgrade your storage workflow with dependable speed and portability.

Performance tier: Professional-grade portable SSD

Uses: High-speed file transfers, video and photo editing, system backups, portable project storage, gaming data storage, cross-device file sharing

Overview:

Verbatim Metal Mini 512GB USB 3.2 Gen 2x2 SSD
The Verbatim Metal Mini 512GB external SSD (Part Number: MOVEV32030 / 32030) is designed for users who need fast, portable and reliable high-speed storage. Built with USB 3.2 Gen 2x2 technology and an M.2 SSD architecture, it delivers desktop-level performance in a compact form factor. With read speeds up to 2000MB/s and write speeds up to 1750MB/s, it is suitable for transferring large media files, backing up data, and handling demanding workflows such as video editing or high-resolution photography.

Description:

The Verbatim Metal Mini SSD combines performance and portability in a rugged metal enclosure. It supports rapid data transfer through USB-C connectivity and includes a hybrid cable for USB-C and USB-A compatibility, making it suitable for both modern and legacy systems. Its compact design allows it to fit easily into a pocket or laptop bag, while its solid-state architecture ensures silent operation and improved durability compared to traditional external drives. Included backup software adds an extra layer of data protection for Windows users.

Features:

High-speed storage built for performance
This portable SSD is engineered for fast and efficient file handling, particularly for large data sets and media files. Whether used for professional workloads or everyday backups, it significantly reduces transfer times.

Key performance details:

- Read speed up to 2000MB/s
- Write speed up to 1750MB/s
- USB 3.2 Gen 2x2 interface for maximum throughput
- M.2 SSD internal architecture for efficiency

Performance may vary depending on system configuration, file type, and operating environment.

Compact metal design for everyday portability

The drive features a durable metal housing that enhances protection against daily wear while maintaining a slim, travel-friendly profile. Its small footprint (approximately 78.2 mm x 46 mm x 8.6 mm) makes it easy to carry without adding bulk.

The solid construction supports:

- Improved durability for mobile use
- Heat-efficient metal enclosure
- Lightweight portability at approximately 72 grams

Connectivity and system compatibility
Designed for flexible use across different devices, the SSD includes USB-C connectivity and a hybrid cable solution to ensure broad compatibility.

System requirements include:

- Windows 11, 10, 8
- Mac OS X 14 or higher
- USB 3.2 Gen 2x2 port recommended for optimal performance
- Backward compatibility with USB 2.0

It supports both Windows and Mac environments, although Nero Backup Software is only compatible with Windows systems.

Included in the package
The Verbatim Metal Mini SSD package includes all essentials needed for immediate use and setup:

- Verbatim Metal Mini SSD (MOVEV32030)
- USB-C to USB-C cable with USB-A adapter
- Nero Backup Software (Windows only)
- Quick Start Guide

Technical details

- Product type: External solid state drive
- Form factor: M.2 SSD
- Interface: USB 3.2 Gen 2x2
- Enclosure material: Metal
- Read speed: up to 2000MB/s
- Write speed: up to 1750MB/s
- Weight: approx. 72 g
- Dimensions: 78.2 mm x 46 mm x 8.6 mm
