MP-02

PSS Multi plug (IEC) 2 way - 10 Amp

Product Overview

PSS MP-02 Multi plug (IEC) 2 way - 10 Amp (Connects a UPS to a device with a standard SA power plug)

Specifications

Overview:

The plug is manufactured from a high-quality moulded plastic. The product may be used with any electrical appliance or equipment that utilizes the South African 230VAC 16A 3-pin plug . These plugs were designed to make a UPS or Inverters output more accessible to different power connections. The connection type is C14, also known as "Male kettle plugs"
