MP-T2000S

RCT MegaPower 2kVA / 2000W pure sinewave Inverter trolley with 2x 100Ah batteries

Product Overview

RCT MegaPower 2kVA / 2000W pure sinewave Inverter trolley with 2x 100Ah batteries, Built-In MPPT Solar charger

Specifications

Overview summary:

The**RCT MegaPower MP-T2000S**is a robust 2kVA (2000W) pure sinewave inverter trolley equipped with two 100Ah batteries and a built-in MPPT solar charger. Designed for reliable power backup during load shedding and power outages, it provides clean and stable electricity suitable for sensitive electronics and motorised loads. Featuring microprocessor control and input power factor correction, the MP-T2000S optimizes energy efficiency and reliability, while its output power factor of 1.0 ensures maximum power delivery.

Its comprehensive display offers easy monitoring and access to UPS status, while multiple output options-including 2 USB 5V DC and 2 x 12V DC ports-allow flexible device connectivity. The inclusion of a battery cut-off switch enhances safety during operation, and the inverter comes with pre-installed batteries for immediate use. This makes the MP-T2000S an ideal solution for homes and small businesses requiring uninterrupted, solar-compatible power.

This inverter trolley is perfect for South African users looking to mitigate frequent power interruptions with a reliable, portable, and efficient power system. The built-in MPPT solar charger also makes it a sustainable option for integrating solar energy into your backup power setup.

South African buyersseeking a dependable**2kVA pure sinewave inverter trolley with built-in 100Ah batteries and MPPT solar charger**should consider the**RCT MegaPower MP-T2000S**.**Order today**from local suppliers to ensure smooth power during outages and load shedding.

Features:

- Pure Sinewave for Sensitive Electronics & Motorised Loads
- Microprocessor Control Optimizes Reliability
- Input Power Factor Correction
- Output Power Factor 1.0
- Comprehensive Display Allows Easy Monitoring & Access of UPS Status
- Built-in MPPT solar charger
- 2 x USB 5 V DC output and 2 x 12 V DC output
- Battery cut off switch for safety
- Pre-installed batteries

Specifications	
Product Code	MP-T2000S
Battery	
Battery voltage	12
Battery voltage	24 V DC
Features	
Waveform	Pure sine
Output power capacity	2000
Output frequency	50/60
LED indicators	Y
