Acer X1328Wi 4500 Lumens DLP 3D WXGA 1280x800 Projector, VGA, HDMI

Product Overview

Acer X1328Wi 4500 Lumens DLP 3D WXGA 1280x800 Projector, 16:10 native Aspect Ratio, 20000:1 contrast ratio, 2x Digital Zoom, 120 Hz Maximum vertical Sync, 7.62 m Maximum diagonal image size, 1 m minimum projection distance, 10 m Maximum projection distance, 1.1x Optical Zoom, USB, Composite Video, HDMI, VGA input, 1x audio inputs, 1x audio Outputs, Audio line in, Audio line out, 3 W Speaker Output power, Ezcast, Miracast Wi-Fi

Specifications

Overview Summary:

The Acer X1328Wi projector delivers powerful performance for any space-whether it's your home, office, or classroom. With 4500 lumens of brightness and sharp WXGA resolution, it's perfect for crystal-clear visuals in bright environments. Thanks to wireless projection capabilities, HDMI 3D support, and advanced color tech like Acer LumiSense and ColorSafe II, this projector ensures a vivid, immersive experience every time. Whether you're streaming, teaching, gaming, or presenting, the X1328Wi is a smart choice.

Its durable build is ready for 24/7 operation and includes a football mode for sport lovers wanting that stadium-like thrill. Compact and ceiling-mountable, it's ideal for versatile setups. Buy now and elevate your visuals with premium quality and reliable performance.

Performance tier:Mid-High

Uses:Business presentations, classroom teaching, home entertainment, gaming, sports viewing, continuous commercial display

Overview:

Acer X1328Wi Projector - Powerful, Versatile, and Built for Any Setting

Model: Acer X1328Wi

Part Number: MR.JTW11.004

Experience vibrant, cinema-quality projection wherever you are-whether it's your home theater, office boardroom, classroom, or gaming setup. The Acer X1328Wi delivers up to 4500 lumens of brightness, making it perfect for bright rooms or daytime use. With wireless connectivity, 3D support via HDMI, Football Mode for sports fans, and the durability for 24/7 operation, this projector is designed to adapt to any environment.

Features:

Key Features of the Acer X1328Wi Projector

Bright, Vivid Images with 4500 Lumens

ComX Computers

Product Specification Sheet

Perfect for large rooms or well-lit spaces, the high 4500-lumen output ensures sharp, detailed visuals-even from a distance. Presentations, movies, and games appear crisp and easy to see.

Wireless Projection Simplified

Forget messy cables. With its wireless dongle-ready design, the X1328Wi lets you project easily from laptops, smartphones, or tablets without needing to plug in directly.

Sharp WXGA Resolution

With 1280x800 WXGA resolution, this projector delivers more detail than traditional SVGA projectors. Expect enhanced clarity for text, images, and HD video.

Advanced Visual Technologies for a Superior Viewing Experience

HDMI 3D Support

Step into the action with immersive 3D visuals. Connect a compatible 3D source via HDMI and watch your content come alive in your living room.

Acer LumiSense

Automatically optimizing brightness and color, Acer LumiSense dynamically adjusts settings based on the displayed content to give you the best image every time.

ColorSafe II Technology

Maintain rich, natural color fidelity over time. ColorSafe II prevents RGB decay, so your projector stays vibrant and true to life even after extended use.

Built to Go the Distance

Round-the-Clock Performance

Designed for continuous 24/7 operation, this projector is ideal for commercial settings, digital signage, and public displays where downtime is not an option.

Eye Protection with BlueLightShield

Reduce eye strain during long viewing sessions. Acer's BlueLightShield technology helps protect your vision by filtering out harmful blue light.

Sports Mode: Football Like Never Before

Get the stadium experience at home. Football Mode enhances color and detail to capture every moment of the game with stunning clarity. Whether it's a championship match or a casual game night, the visuals will draw everyone in.

Ideal For:

- Business presentations
- Educational settings
- Home entertainment
- Sports events and gaming nights
- Continuous commercial displays

Elevate your projection game with the Acer X1328Wi-a versatile, feature-rich projector that delivers excellent brightness, wireless freedom, and robust performance day and night.
