- Long-lasting LED light source reduces maintenance and ensures years of use.
- Supports flexible image sizes from 37.5" to 120" with a 1.2 throw ratio.

Overview:

Acer PD1520s Full HD Projector for Home and Office Entertainment

The Acer PD1520s delivers stunning 1080p Full HD visuals with a compact, portable design ideal for home cinema, presentations, and outdoor movie nights. With bright, clear images and built-in wireless capabilities, it brings seamless entertainment anywhere you go.

Description:

Experience crystal-clear visuals with 1200 ANSI lumens brightness and a 5000:1 contrast ratio. The Acer PD1520s supports

ComX Computers

Product Specification Sheet

wireless streaming via Miracast and AirPlay, comes with a built-in Bluetooth speaker, and features quick auto focus. Its portable design and long-lasting LED light source make it perfect for versatile use in living rooms, classrooms, or outdoor settings.

Features:

Immersive Full HD Visuals

Enjoy life-like images in 1920x1080 Full HD resolution. The Acer PD1520s produces sharp, detailed 100" images, delivering a cinematic experience whether you're watching movies, playing games, or giving presentations.

Bright and Vibrant Projection

With 1200 ANSI lumens and a 5000:1 contrast ratio, this projector ensures vibrant colors and clear visibility even in rooms with ambient light. Project images ranging from 37.5" to 120" for flexible viewing options.

Effortless Autofocus and Image Adjustment

Set up in seconds with the auto focus feature for instant clarity. Fine-tune the image easily with 4 Corner Correction to eliminate distortion and achieve perfect alignment in any space.

Compact, Lightweight Design

Designed for portability, the Acer PD1520s fits easily in a backpack or carry case. Take it from room to room, or enjoy outdoor movie nights with minimal setup effort.

Wireless Streaming and Connectivity

Connect effortlessly through HDMI 2.1, 3.5mm audio jack, or wirelessly using Miracast, AirPlay, or Wi-Fi (802.11 AX). Stream content from Netflix, YouTube, and more without messy cables.

Built-in Bluetooth Speaker

Enjoy full, vibrant sound without needing external speakers. The integrated Bluetooth audio brings movies, music, and games to life with rich, immersive sound.

Long-lasting LED Light Source

Project your favorite content without worrying about lamp replacements. With up to 30,000 hours of LED life, the Acer PD1520s provides years of reliable performance.

Versatile Throw Ratio

With a 1.2 throw ratio, you can place the projector closer to the wall or screen while still achieving a large image size, perfect for small apartments or home offices.

FAQ

What is the native resolution of the Acer PD1520s?

The Acer PD1520s has a native Full HD resolution of 1920 x 1080, delivering crisp and detailed visuals for movies, presentations, or gaming.

How bright is the projector?

It provides 1200 ANSI Lumens brightness in Standard mode and 960 Lumens in Eco mode, suitable for well-lit rooms and outdoor environments.

Does it support wireless streaming?

Yes, it supports Miracast and AirPlay wireless streaming and also has Bluetooth connectivity for audio playback.

What is the maximum projection size?

The projector can display images from 37.5" up to 120" depending on the throw distance.

How long does the LED light source last?

The LED light source lasts up to 20,000 hours in Standard mode and up to 30,000 hours in Eco mode, reducing maintenance and replacement costs.
