Specifications

Features:

Smarter. Brighter. Mightier.

Apple Watch Series 9 helps you stay connected, active, healthy, and safe. Featuring double tap, a magical way to interact with Apple Watch, an even-brighter display, and Precision Finding for iPhone.

Why Apple Watch series 9

Your essential companion for a healthy life is now even more powerful. The S9 chip enables a superbright display and a magical new way to quickly and easily interact with your Apple Watch without touching the screen. Advanced health, safety, and activity features provide powerful insights and help when you need it. And redesigned apps in watchOS give you more information at a glance.

Carbon neutral

An Aluminium Apple Watch Series 9 paired with the latest Sport Loop is carbon neutral. about Apples commitment to the environment at.

Advanced Health Features

Keep an eye on your blood oxygen. Take an ECG anytime. See how much time you spent in REM, Core, or Deep sleep with sleep stages. Temperature sensing provides insights into overall well-being. And take note of your state of mind to help build emotional awareness and resilience.

A Powerful Fitness Partner

The Workout app gives you a range of ways to train plus advanced metrics for more insights about your workout performance.

Innovative Safety Features

Fall Detection and Crash Detection can connect you with emergency services in the event of a hard fall or a severe car crash. And Emergency SOS lets you call for help with the press of a button.

Simply Compatible

It works seamlessly with your Apple devices and services. Unlock your Mac automatically. Get approximate distance and directions to your iPhone with Precision Finding on supported iPhone models. Pay with Apple Pay. Apple Watch Series 9 requires iPhone Xs or later with iOS 17 or later.

Easily Customisable

With watch bands in a range of styles, materials, and colours, as well as stylish and functional watch faces with complications tailored to your interests, you can change your watch to fit your mood or the moment.

Incredible Durability

Tougher than tough. Its crack resistant, IP6X-certified dust resistant, and swimproof with 50m water resistance.

Stay Connected

Send a text, take a call, listen to music and podcasts, and get notifications on the go. Apple Watch Series 9 (GPS) works with

your iPhone or Wi-Fi to keep you connected.

Cellular Connectivity

Send a text, make a call, and stream music without your iPhone nearby.
