Genius 100S Red Touch Pen

## Product Overview

Genius Touch Pen 100S Red, Super soft and flexible 7 mm stylus tip design is replaceable ,Highly sensitive and durable pen tip provides precision control

## Specifications

**Overview:**

The Touch Pen 100 series is a set of high quality stylus pens to use for all capacitive touch screens in three fashionable styles. They are designed to help prevent scratching your valuable touch screen products with a super soft and flexible stylus tip; moreover, the highly sensitive and lab certified durable pen tip provides precision control in any condition. Touch Pen 100 series makes it easy to write, sketch, tap and even play games at any angle for long hours. With a pen clip, you can carry it anywhere and store it easily. The elegant pen barrel design in classic colors lets you stand out in the crowd. 100S is a slim and compact design in two colors. The Touch Pen 100 series is a smart design, suitable for trend leaders. Just ask your salesperson how you can pick one up today.
