Overview:

Brother TN-279XXC Extra High Yield Cyan Laser Toner Cartridge - Reliable Printing for Your Color Laser Printer

Compatible Printers and Page Yield

The Brother TN-279XXC toner cartridge offers an extra high yield of approximately 4,000 pages, making it a cost-effective choice for users with heavy printing demands. This cyan toner cartridge is designed to work seamlessly with several Brother color laser printers, including:

- MFC-L3760cdw
- MFC-L3520cdw

ComX Computers

Product Specification Sheet

- MFC-L3560cdw
- MFC-L3720cdw
- MFC-L8390cdw

This compatibility ensures smooth installation and consistent print quality.

High Capacity Toner for Efficient Printing

The TN-279XXC cartridge is categorized as a super high capacity toner, which means you get more pages per cartridge compared to standard options. This helps reduce the frequency of replacements and lowers the overall cost per page, ideal for busy offices or workgroups.

Reliable Print Quality and ISO Certification

Brother's TN-279XXC toner cartridge guarantees crisp, vibrant cyan color output with sharp text and graphics. The declared page yield of about 4,000 pages is tested and verified according to the ISO/IEC 19798 standard, providing users with reliable expectations on cartridge performance.

By choosing the Brother TN-279XXC extra high yield cyan laser toner cartridge, you ensure high-volume printing with excellent color accuracy and consistent results on compatible Brother color laser printers. This toner cartridge delivers value without compromising on print quality, making it a smart option for both small businesses and home offices.
