Genius Hs-04S Headset With Noise Cancellation

Product Overview

Genius Hs-04S Headset With Noise Cancellation, Stereo headset with built-in microphone, headset with on-line volume control, great for MSN/Net phone/Skype, Noise cancelling, PC compatible

Specifications

Overview:

This brand new headset from the Genius, the HS-04S, will give you the flexibility to do it all... with more comfort and quality. This headset with the noise-canceling microphone delivers improved audio clarity. If you're spending long hours at your computer chatting, playing a game, or in a video conference, you'll get superior comfort as the headband has soft rubber surfaces and the ear pads are fitted with soft foam. It also features a convenient inline volume control, and its microphone can be worn on either the right or left side - so make the HS-04S headset your choice to get more comfortable!

Features:

- Great for Internet gaming, voice chat, online conferencing
- Microphone filters out unwanted background noise
- Comfortable and adjustable headband design; flexible microphone setup for either left or right side
- Soft ear-pad for comfort and durability
- Headset includes volume control
