

MUL220

Genius MUL220 MaxFire Pandora Mini Game Pad

Specifications

Overview Summary

Genius MUL220 MaxFire Pandora Mini Game Pad

This compact USB game pad is designed for gamers on the go. It features a high-precision 8-way D-pad, six action buttons

plus two shoulder triggers, and a turbo-function key, all packed into a portable form that includes a cable storage compartment. It offers precision control and convenience for notebook users and casual gamers alike.

With a turbo auto-repeat function and streamlined design, it enhances gameplay for action, shooting, and platform games. The hidden USB cable compartment prevents tangles and makes it easy to carry.

Performance tier:Entry-level portable gaming

Uses:casual PC gaming, emulation, notebook gaming, travel gaming

Description

The Genius MUL220 MaxFire Pandora Mini Game Pad offers a nostalgic throwback to classic handheld controllers, reimagined for modern portable gaming. Its slim, rounded design houses a robust 8-way D-pad and eight action-oriented inputs, including responsive shoulder triggers. The integrated turbo key delivers auto-repeat functionality-ideal for shooting, action, or fast-tapping games.

Built for travellers and notebook users, it incorporates a retractable USB cable within its chassis, ensuring easy storage and clean cable management. With plug-and-play convenience for legacy Windows systems and a 1-year warranty from South African retailers, this controller combines convenience, affordability, and ergonomics for casual gaming anywhere.

Overview:

Genius maxfire pandora mini game pad Genius maxfire pandora game pad is designed for the gamer on the go.

Its compact size is reminiscent of classic game pads. But this one has been updated for today's gamers. The d-pad on the left is complimented by six action buttons on the right. There are also two shoulder triggers.

Perhaps the best feature for the mobile gamer is the compartment on the bottom that holds the usb cable when you aren't playing.

Features:

USB cable stores under game pad to eliminate tangled cords and is easy to carry.

Use the turbo function for auto repeat and turbo power. Compact design for notebook users or kids. 8-way d-pad
