Specifications

Overview:

Enhanced design boosts volume with deep bass effect. SP-906BT gives you a smooth and great feel. It comes in five loud colors, weighs 185g, thickness is 4.6cm, and the diameter is 8cm. It is smaller and lighter than a baseball.

Features:

Loud and Extra Bass
Enhanced design boosts volume with deep bass effect. SP-906BT gives you a smooth and great feel. It comes in five loud colors, weighs 185g, thickness is 4.6cm, and the diameter is 8cm. It is smaller and lighter than a baseball.

Uncompromised Sound Quality
With smart anti-breaking sound technology, there will be no sound break during a high pitch and the low pitch remains clear. Its surround sound makes you feel like actually being there.

Hyper Bass, Even Stronger
The built-in amplifier enables SP-906BT to deliver high-decibel sound which penetrates your heart.

Durable For 10-hrs Play
SP-906BT is so durable that you can play more than 200 songs continuously.

Carabiner Hook
The material of the carabiner hook is steel aluminum, solid and smooth. Also, the hook is durable and resistant to rust while the silicone rim is flexible and tough. Coupled hardness with softness, SP-906BT gives you flexible and diversive use!

Bluetooth 4.1
Equipped with the state-of-the-art circuit protection IC and Bluetooth 4.1 technology, the pairing is farther and faster (10m is the standard wireless operating distance).

Hands-free Mode, High-definition Microphone

With one press of the button, you can enjoy clear calling with the built-in high-definition microphone and HIFI high pitch amplifier. Also, you can call back by pressing the button again.

High-quality Sound, Children Go Genius

Music plays an essential role in prenatal education. SP-906BT delivers true-to-life sound that stimulates the senses of children and ultimately makes them have efficient learning. SP-906BT expands their imagination and makes them have clear mind! Children go genius with Genius!
