Specifications

Features:

Why Apple Watch Series 10

Bigger display with up to 30 per cent more screen area. A thinner, lighter and more comfortable design. Advanced health and fitness features provide invaluable insights. Safety features connect you to help when you need it. Faster charging gives you 80 per cent battery in about 30 minutes.

Advanced Health Insight

Take an ECG anytime. Get notifications if you have high or low heart rate or an irregular heart rhythm. Understand your menstrual cycle and get retrospective ovulation estimates.⁷Track sleep and see overnight health metrics like heart rate, respiratory rate and more with the Vitals app.

Cellular Connectivity

With a mobile service plan you can send a text, make a call and stream music without your iPhone nearby.

A powerful fitness partner

Measure all the ways you move with Activity rings, which are customisable to match your lifestyle. Get advanced metrics for a range of workouts with the Workout app. Track the intensity of your workouts with training load. Use depth and water temperature sensors for your aquatic adventures.

Stay Connected

Send a text, take a call, listen to music and podcasts, use Siri and get notifications on the go. Apple Watch Series 10 (GPS) works with your iPhone or Wi-Fi to keep you connected.

Innovative safety features

Fall Detection and Crash Detection can connect you to emergency services in the event of a hard fall or a serious car crash. Emergency SOS lets you call for help with the press of a button. Check In automatically notifies a loved one when you've arrived at a your destination.

Incredible durability

Crack resistant and IP6X-certified dust resistant. With 50m water resistance.

Simple compatibility

It works seamlessly with your Apple devices and services. Unlock your Mac automatically. Get approximate distance and directions to your iPhone with Precision Finding on supported iPhone models. Pay with Apple Pay.

Easily customisable

With watch straps in a range of styles, materials and colours and fully customisable watch faces, you can change your watch to fit your mood or the moment.
