Samsung Mini HiFi 230W RMS 2.0. Channel Component system

Product Overview

Samsung Mini Component system 230W RMS [2530W PMPO] 2.0. Ch. Mini CD Component, Giga Sound Bass boost, USB input, CD Ripping, FM radio,Triple Protector, Bluetooth music streaming and Bluetooth power on.

Specifications

Features:

Football Mode brings the stadium to you
Capture all the excitement of the stadium with Football Mode, which optimises the sound so you can truly experience the roaring cheer of the crowd with the Stadium function or the match commentary with the Announcer function. It's easy: simply connect the Mini to your TV wirelessly using TV Sound Connect and switch on Football Mode. You can even turn on fun lighting and sound effects that add to the excitement. Just push the hot key on the remote control and it's like you're actually there at the big game.

Activate the speakers using your smartphone
Thanks to Bluetooth compatibility, you can use your smartphone to turn your speakers on remotely. Pair the speakers and your smartphone once, and you can quickly and easily power on your speakers by selecting them on your smartphone. It's that simple. As long as the speakers are plugged into a power source, you can wake it up with just one touch and enjoy high quality audio.
