Siemon Surface Mount Box 2 Port - White

Product Overview

Siemon Surface Mount Box 2 Port - White

Specifications

Overview:

Siemon's surface mount boxes provide users with exceptional versitality and robustness. Siemon surface mount boxes allow all standard MAX modules and SC and LC fiber adapters to be used in surface mount applications. The compact and easily installed design offers multiple cable management features and supports UTP, Screened, coax and TERA cabling styles, as well as fiber. Available in 1, 2, 4 and 6 port configurations, these products feature optimized jack spacing for superior AXT performance.

Features:

- Breakouts on three sides and bottom for cable/raceway entry
- Label cover conceals screw for added security if desired
- Snap-on cover with designation areas for colorcoded icons/tabs and write-on labels
- Built-in cable management posts ensure proper bend radius for copper or fiber
- Available with MAX bezels or multimedia bezels to support all Siemon module types
- Optional spring-loaded shutter doors offer added protection from dust and other contaminants
- Cable tie anchor points facilitate strain relief for cable
