Specifications

Overview:

A great deal to love.

Essential features to help you stay connected, active, healthy and safe.

Why Apple Watch SE

All the essentials to help you be motivated and active, keep connected, track your health and stay safe. watchOS 11 brings more intelligence, personalisation and connectivity. With features like Fall Detection¹ and enhanced workout metrics, Apple Watch SE is incredible value.

Stay connected

Send a text, take a call, listen to music and podcasts, use Siri or call for help with Emergency SOS. Apple Watch SE (GPS) works with your iPhone or Wi-Fi to keep you connected.

Health and Safety features

Get insights into your health, including notifications if you have an irregular heart rhythm or an unusually high or low heart rate. Get help when you need it with Fall Detection, Crash Detection and Emergency SOS. Automatically notify loved ones when you arrive at your destination with Check In.

Simply compatible

It works seamlessly with your Apple devices and services. Unlock your Mac automatically. Find your devices easily. Pay and send money with Apple Pay.

Swimproof and fashionable

50m water resistance.

Three finishes. And a colour-matched back case made with a production process that reduces its carbon emissions.

Easily Customisable

With watch bands in a range of styles, materials, and colors and fully customizable watch faces, you can change your watch to fit your mood or the moment.

Carbon Neutral

Apple Watch SE (2nd generation) is carbon neutral when paired with selected straps.
