Apple 49mm Dark Green Alpine Loop - Small - Black Titanium finish

Product Overview

Apple 49mm Dark Green Alpine Loop - Small - Black Titanium finish, Small (130-160mm) strap size

Specifications

Overview:

The rugged Alpine Loop is made from two textile layers woven together into one continuous piece without stitching. High-strength yarns reinforce the top loops, and the corrosion-resistant titanium G-hook slides easily into the loops for secure fit.

This band is carbon neutral. The Alpine Loop contains 43% recycled content by weight, 100% of manufacturing electricity is covered by clean energy, and 50% or more of all carbon neutral Apple Watch products are shipped without airplanes.

Specifications:

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |           |
