Logitech 910-005386 R500 Cordless professional Presenter, WiFi+Bluetooth dual connection - built-in vibration alerts + red laser pointer, ranged 20m, for PowerPoint/ Keynote/ PDF/ Google Slides; Includes carry case

Specifications

Features:

PRESENT EFFORTLESSLY
Deliver impactful presentations with the R500 Laser Presentation Remote. Move freely and navigate slides from up to 20 meters away - and point out precise areas of focus with the red laser pointer. The R500 is optimized to work with Windows®, macOS and leading presentation software.

SIMPLY PRESENT
The R500 is a simple, reliable, and hassle-free presentation remote - so you can focus on crushing your delivery.

INTUITIVE SLIDE NAVIGATION
The R500's unmistakable three button design means you can navigate your presentation slides with ease and confidence without having to look down to orient your fingers.

RED LASER POINTER
Point out precise areas of focus in your presentation with an easy-to-use and bright red laser pointer.

LOGITECH PRESENTATION APP
Customize button functions, monitor battery life, and set an on-screen timer from the Logitech Presentation App. Never worry about your computer going to sleep, the app keeps it awake while you present.

20-METER OPERATING RANGE
Connect your R500 to your computer via USB receiver or Bluetooth® low energy technology. Then move and present freely from as far as 20 meters away.

DESIGNED FOR A SECURE GRIP
The R500 Laser Presentation Remote has been designed to fit snugly into the palm of your hand, and its soft rubber surface and textured buttons allow for a confident grip while presenting.
