Specifications

Overview:

Tensions between the Sith Empire and Galactic Republic have erupted into an explosive battle of epic proportions. War is coming and whichever side you choose, only those armed with the Star Wars: The Old Republic Gaming Mouse by Razer will emerge victorious. Cut down enemies in swathes, and execute battle plans faster when the mouse equips you with an astonishing 17 buttons to put more abilities at your fingertips.

The Star Wars: The Old Republic Gaming Mouse by Razer is also built with cutting-edge gaming grade dual wired/wireless technology to allow greater freedom of maneuverability when unwired without compromise on control or accuracy within the game. When the battery needs charging, switch the mouse to wired mode and jump back into the fray with zero downtime.

As the impending bloodshed between the two factions looms ever closer, the mouse comes with two gold-backlit interchangeable emblems featuring the iconic symbols of the Sith Empire and Galactic Republic to decide which faction you'll swear allegiance to.

Features:

Dual mode wired/wireless technology
Wield the Star Wars: The Old Republic Gaming Mouse by Razer like a Lightsaber; with precision and complete freedom of movement thanks to its gaming-grade wireless technology. Get unwired performance as responsive and accurate as when wired thanks to Razer-grade ultra-low latency. Then when it's time to charge, switch the mouse to wired mode and keep fighting until you're the last one standing.

17 MMO-Optimizes buttons
Reign supreme in the far reaches of the galaxy with the Star Wars: The Old Republic Gaming Mouse by Razer featuring 17 buttons for effortless destruction and more skills at your disposal. The Razer driver software allows easy organization and absolute freedom to remap key binds, character abilities, and macros to all the buttons to keep you on top of your game.

Interchangeable gold-backlit faction emblems
The world of Star Wars: The Old Republic is expansive and fraught with danger, so choose a side and team up to take on the galaxy. With interchangeable resplendent gold-backlit Sith Empire and Galactic Republic faction emblems, your gaming mouse is the perfect symbol of your allegiance.

System Requirements:

- PC with USB port

- Windows 7 / Windows Vista / Windows XP (32-bit)
- Internet connection (for driver installation)
- At least 100MB of hard disk space
