Specifications

Overview:

The simple and classical design of DICOTA's Notebook rucksack BacPac Move 15"-17" will win you over and it is an ideal companion whether for business or pleasure. Its generously sized main compartment ensures that Notebooks up to 17" in size are perfectly protected by means of its integrated cushioned Notebook compartment (high-density foam).

Further space is available in the compartment for documents, folders and other accessories. Additional mobile accessories can be carried around in the front pocket of the BacPac Move. A mobile phone, pens, business cards etc. can be stashed away tidily in its integrated workstation. Two net pockets on the sides ensure that further small accessories or a drinks bottle are always within easy reach. BacPac Move is made of hard-wearing material, which offers additional protection for Notebooks and mobile accessories.

The comfortable back cushioning, adjustable shoulder straps as well as the practical, neoprene carry handle ensure that it is comfortable to carry around.
