Product Overview

Dicota Notebook Companion S, Black - Nylon, 15" / 15.4", 400 x 540 x 250 mm, 5.1kg, Notebook Trolley and Travel Bag

Specifications

Overview:

- NotebookCompanion S organises your mobile office. The robust and water-repellent outer material makes it exceptionally tear-resistant and resilient.
- Relaxed travelling in all metropolises of the world with large and exceptionally easy-running wheels in combination with a robust telescopic handle made from high quality aluminium.
- The NotebookCompanion S is also equipped with a handgrip on the underside so that the case can be easily pulled out of deep overhead compartments.
- Your mobile equipment can be safely protected in its interior. The Notebook case can be fastened to the telescopic handle without any problems. Power supply units and cables can be stored in the integrated cable pocket. Pens, business cards, mobile, etc. can be stored in the external pocket.
- Tickets can be stored separately and within easy reach in an external pocket. The main compartment with an integrated toilet bag offers sufficient space for a suit, shoes etc. An integrated shirt compartment ensures that shirts are kept free from creases.
- The NotebookCompanion S complies with IATA regulations and can therefore be taken on aircraft as hand luggage. Due to restrictions in capacity some airlines apply other size and/or weight limits. DICOTA assumes no liability for the information, which is subject to change without prior notice
