Uses: Carrying laptops, tablets, gaming gear, accessories, everyday travel

Overview:

Alienware 460-BFCQ AW7825P 18-Inch Gaming Backpack
Keep your gaming devices and accessories organized and protected with the Alienware 18 Backpack AW7825P. Designed for gamers on the move, this backpack combines style, durability, and functionality, ensuring your gear stays safe and accessible wherever you go.

Description:

The Alienware 18 Backpack offers a spacious 28L main compartment with dedicated laptop and tablet sleeves lined with breathable mesh for heat protection. Its weather-resistant exterior shields your gear from water, dirt, and everyday wear. Additional storage options include side pockets, a front organizer pocket, magnetic pocket organizers, and an RFID-safe pocket for credit cards and wallets. The 3D reflective Alienware logo and gradient zipper pulls provide a striking design and nighttime visibility. Built with durable 600D woven fabric and sustainable materials, this backpack is both rugged and eco-friendly.

Features:

Organized Storage for All Your Devices

- Dedicated laptop and tablet compartments with breathable 3D mesh
- Inner mesh pocket and pen holders for smaller accessories
- Magnetic organizers to streamline your storage
- Front pocket with built-in organizer for quick access
- Headset hanger strap for convenient carrying

Secure Protection on the Move

- Molded outer shell and reinforced top bumper to guard against impacts
- Weather-resistant exterior with PU-coated bottom and sides for added durability
- Dirt and water-resistant design for worry-free travel
- RFID-safe pocket to protect personal data

Striking Design with Iconic Alienware Style

- 3D reflective Alienware logo that displays iridescent colors
- Gradient aura zipper pulls for nighttime visibility
- Premium 600D woven fabric maintains structure while providing a stylish finish
- Crafted with 100% recycled materials for an eco-conscious choice

Spacious and Comfortable for Daily Use

- Main compartment capacity: 28 liters
- Ergonomic shoulder straps and breathable back mesh for comfort
- Trolley strap and handle for versatile carrying options
- Dimensions: 500 mm height x 360 mm width x 240 mm depth
- Starting weight: 1.32 kg

Durable and Sustainable Construction
The backpack combines heavy-duty construction with sustainable practices. It is made from 100% recycled plastic and arrives in packaging made from recycled or renewable materials, eliminating the use of plastic bags.
