Shop now and enjoy long-lasting battery performance and reliable performance for both work and personal use.

Performance tier:Mid-range

Uses:Office work, Home use, Remote work, Web browsing, Productivity tasks

Overview:

Dell Mobile Wireless Mouse MS3320W - Ash Pink

Enhance your productivity with the Dell Mobile Wireless Mouse MS3320W. Designed for seamless performance and stylish design, this mouse delivers accurate tracking, long battery life, and versatile connectivity options, making it an ideal companion for both work and personal use.

Description:

The Dell MS3320W Mobile Wireless Mouse in ash pink offers dual-mode connectivity with Bluetooth and a USB dongle, up to 4000 DPI precision, and a mechanical scroll wheel for smooth navigation. With a 36-month battery lifespan and compatibility across multiple operating systems, it is built for convenience and long-term use. Easily manage settings using Dell Peripheral Manager software to check battery, adjust DPI, and update firmware.

Features:**Dual Connectivity for Effortless Use**

Switch seamlessly between Bluetooth 5.0 and 2.4GHz wireless connectivity. The dual-mode design ensures you can pair your mouse with laptops, desktops, or tablets without interruptions, giving you flexibility whether at home, in the office, or on the go.

Quick and Simple Pairing

Connect instantly with Microsoft Swift Pair on Windows devices, eliminating the need for repeated setup. The Dell MS3320W also works smoothly with a variety of operating systems, offering broad compatibility for diverse workflows.

Long-Lasting Battery Performance

Enjoy uninterrupted use with a battery life of up to 36 months. The power-efficient design and LED battery indicator help you monitor remaining power so you never get caught off guard.

Precise Tracking and Smooth Navigation

The optical sensor supports adjustable DPI up to 4000, ensuring smooth, accurate cursor control even on high-resolution screens. The mechanical scroll wheel provides effortless navigation across documents, spreadsheets, and web pages.

Manage Devices Easily

Dell Peripheral Manager software simplifies device management. Track battery status, switch DPI settings, manage connectivity modes, and update firmware with ease for a fully optimized experience.

Additional Advantages

- Power on/low battery LED indicator
- Mechanical scroll wheel
- Mode-switch button for easy connectivity toggle
- On/off switch for power control

What's Included

- Dell Mobile Wireless Mouse MS3320W
- 1 x AA battery
- USB-A receiver for universal pairing
- Documentation
