Dell MS900 Rechargeable Multi-Device Wireless Mouse

Product Overview

Dell MS900 Rechargeable Multi-Device Wireless Mouse

Specifications

Overview:

This premium mouse was designed with a surreal level of detail to be extremely comfortable and easy to use thanks to its sculpted curves, innovative scroll wheel and powerful battery.

Features:

Made to fit your hand
The contoured design of the mouse fits the shape of your hand for a comfortable palm grip to help you work efficiently and stay comfortable. A horizontal scroll wheel at your thumb allows for intuitive left-to-right navigation, while the vertical scroll atop the mouse grants fast scrolling through long documents and web pages or notched scrolling for precision.

Work everywhere
Thanks to the track-on-glass sensor you can easily work wherever you need to, from glass and wood, to park benches and café tables alike. The DPI is adjustable from 800 to 8000 in increments of 200, so you can dial in the mouse to your preferences. The ultra-smooth gliding feet create a smooth and silent glide as you move the mouse for a more satisfying user experience.

Seamless and secure connection
The dual mode RF 2.4 GHz and Bluetooth® 5.1 connectivity lets you effortlessly connect and switch with up to 3 devices (two connections via Bluetooth and one connection via RF dongle).

Long-lasting charge
In just two minutes you'll get a charge for full-day use, while a full charge lasts up to three months with USB-C charging. This removes the need for batteries, thus reducing waste.

Tuned to your specifications
Dell Peripheral Manager lets you customise your accessories to elevate your workflow. Make DPI adjustments and configure the programmable buttons to your frequently used commands to empower productivity.

Compatibility

- 2.4GHz - Windows 7, Windows 8.1,10 and 11 or later; Mac; Linux (Red Hat Enterprise 8.0 /Ubuntu 18.4); Chrome; Android OS.
- Bluetooth - Windows 8.1,10 and 11 or later; Mac; Linux (Red Hat Enterprise 8.0 /Ubuntu 18.4); Chrome; Android OS.
- Dell Peripheral Manager - Compatible with Windows 10, 11 or later.
