Specifications

Overview Summary:

Upgrade your computing experience in South Africa with the sleek HP Z3700 Wireless Mouse. This stylish accessory features a vibrant White/Pink design that complements any HP device, while its lightweight build ensures effortless portability for work or travel. With an impressive 16-month battery life and multi-surface tracking technology, you can rely on precise control across various surfaces without interruption.

Built for convenience, this mouse offers instant plug-and-play setup via a USB nano receiver that stores neatly inside the unit when not in use. Whether you are browsing documents or working on creative projects, the 1200 DPI optical sensor delivers exceptional accuracy and speed. Buy now to enjoy seamless wireless connectivity tailored for Windows, macOS, and Chrome OS users.

Performance tier: Standard Wireless

Uses: Office work, Home computing, Travel productivity, Creative design, General navigation

Overview:

Enhance your computing experience with the HP Z3700 Wireless Mouse in a striking White/Pink finish, designed to complement your favorite HP devices. This sleek peripheral offers a comfortable fit for any hand and blends seamlessly into modern workspaces. By utilizing a reliable 2.4 GHz wireless connection, it ensures a stable link between you and your computer without the clutter of cables. The mouse is built to last, boasting an impressive battery life that can extend up to 16 months on a single AA battery, allowing for extended periods of uninterrupted productivity.

Description:

The HP Z3700 Wireless Mouse (Part Number: NBHP4VY82AA) combines style with functionality, making it an ideal choice for both professional and personal use. Its elegant design features a compact form factor that fits easily into bags or pockets thanks to the built-in storage for the USB receiver. Equipped with advanced Blue LED technology, this mouse delivers exceptional accuracy on a wide variety of surfaces, from glass desks to wooden tables. The 1,200 DPI optical sensor ensures smooth cursor movement and precise control, while the plug-and-play setup means you can start working immediately after inserting the battery and connecting the receiver.

Beyond its performance capabilities, this mouse is designed for versatility across multiple operating systems including Windows 7 through 11, macOS, and Chrome OS. Whether you are navigating documents, browsing the web, or managing spreadsheets, the three programmable buttons provide intuitive control. The USB nano-dongle tucks away securely inside the mouse when not in use, ensuring it is never lost during travel. With a lightweight build of just 0.05 kg and dimensions of 101 x 60 x 25.3 mm, it remains unobtrusive yet durable for daily tasks.

Features:

Key Features:

- Reliable 2.4 GHz wireless connection with a range of up to 10 meters in open areas

FAQ

Is this mouse compatible with my computer?
The HP Z3700 Wireless Mouse works with HP PCs that have a USB port and is compatible with Windows 7, Windows 8, Windows 10, Windows 11, macOS, and Chrome OS.

How long does the battery last on this mouse?
You can expect up to 16 months of use from a single AA battery, so you won't need to replace it often.

Does this mouse work on different surfaces?
Yes, the Blue LED technology with multi surface tracking allows for exceptional accuracy and speed on a wide range of surfaces without needing a mouse pad.

Do I need to install any software to use it?
No, the HP Z3700 Wireless Mouse features plug-and-play functionality; just insert the included AA battery and USB nano-dongle to start using it immediately.

How portable is this mouse for travel?
The device is highly portable with dimensions of 101 x 60 x 25.3 mm, and the USB receiver conveniently stores inside the mouse when not in use.
