HP 715 Rechargeable Multi-Device Mouse

Product Overview

HP 6E6F0AA 715 Rechargeable Multi-Device Mouse, Wireless Mouse with Ambidextrous Design, Up to 3000 dpi Sensor Resolution, Sensor Technology supports Tracking on Glass surfaces, Connects via Bluetooth 5.3 or USB Dongle, Switches between up to 3 saved devices, 7 buttons total including 6 programmable options, Battery Life lasts up to 90 days on a full charge, Rechargeable Li-Ion Battery via USB Type-C cable, AES 128 bits Encryption for Security

Specifications

Overview Summary:

Enhance your daily workflow with the HP 715 Rechargeable Multi-Device Mouse, a sleek and efficient accessory designed for South African professionals who demand reliability. This versatile wireless mouse features an ambidextrous design and programmable buttons that can be customized to suit your specific work style through the HP Accessory Center. Whether you are managing complex spreadsheets or browsing the web, enjoy up to 90 days of battery life on a single charge and the freedom to work on almost any surface, including glass.

Connect seamlessly across multiple devices with support for Windows, macOS, and Chrome OS using either Bluetooth 5.3 or the included USB dongle. The high-precision sensor ensures smooth tracking even at speeds up to 3000 dpi, making it an ideal choice for both office environments and home use. Buy now to experience a seamless, clutter-free computing setup tailored to your productivity needs.

Performance tier: High

Uses: Office work, daily computing, multi-device switching, glass surface navigation, custom workflow automation

Overview:

HP 715 Rechargeable Multi-Device Mouse Overview:

Work with total freedom using the HP NoteBook Accessories P-list 6E6F0AA, a compact and ambidextrous mouse designed to adapt to your unique workflow. This device allows you to operate seamlessly on almost any surface, including glass, while maintaining high precision through its advanced sensor technology. With a rechargeable battery that offers up to 90 days of usage, you can focus on your tasks without the constant interruption of charging or swapping batteries.

The HP 715 supports multi-device connectivity, enabling you to switch effortlessly between up to three saved devices via Bluetooth 5.3 or the included USB dongle. Its customizable interface lets you tailor six programmable buttons through the HP Accessory Center software, creating shortcuts for apps and adjusting scroll speeds to maximize your personal productivity.

Description:

The HP 715 Rechargeable Multi-Device Mouse (Part Number: NBHP6E6F0AA) is a versatile peripheral designed for professionals who demand efficiency and comfort. This sleek black mouse combines long-lasting power with smart customization options, ensuring you stay productive from anywhere. Key benefits include an ambidextrous design suitable for

all users, the ability to track on glass surfaces, and secure AES 128-bit encryption for safe wireless communication.

Users can enjoy up to three months of battery life on a single charge or quick power-ups with USB-C fast charging. The mouse features high-resolution tracking up to 3000 dpi and supports multiple operating systems including Windows, macOS, and Chrome OS. Whether you are working on a laptop at home or a desktop in the office, this mouse provides a reliable connection and a comfortable grip for extended use.

Features:

Key Features and Productivity:

- Tailor your workflow with 6 programmable buttons that can be configured for app-specific shortcuts via HP Accessory Center

Specifications	
Product Code	NBHP6E6F0AA
Compatibility	Compatible with PCs with available USB Type-A port
Color	Black
Battery recharge time	Supports battery fast charge: approximately 90% in less than 2 hours
Battery life	Up to 3 hours (after 1 minute charging) , Up to 3 months (when fully charged)
Battery type	Rechargeable Li-ion
Wireless range	Up to 10 m in open area
Resolution	Up to 3000 dpi
Sensor technology	Track on glass
Buttons	7 buttons (6 programmable)
Programmable buttons	7 buttons (6 programmable)

Security	AES 128 bits encryption
Compatible Operating Systems	Windows 11 , Windows 10 , Chrome OS , mac OS 10.13 or later
Certifications and compliances	CE , CB , FCC , SDPPI , NTC , IMDA , BSMI , NCC , SRRC , SIRIM , TRA , EAC , TRC , ICASA , UKCA , ICES , KCC , VCCI , CNC , ANATEL , CONATEL , NOM , NBTC , CITRA , ETL , PAP Recycle Mark , WEEE , GreenDot , C-Tick , MCMC , UUF warning , ETA , Triman
Sustainability specifications	At least 60% post-consumer recycled plastic
Dimensions (W x D x H)	102.1 x 57.1 x 36.2 mm
Package dimensions (W x D x H)	105 x 150 x 55.8 mm
Cartons per layer	9
Weight	84 g
Package weight	260 g
Pallet weight	529.32 kg
What's in the box	charging cable , Quick start guide , Warranty card

FAQ

How long does the battery last and how quickly can I charge it?
The HP 715 Rechargeable Multi-Device Mouse offers up to 90 days of use on a full charge. It supports fast charging, providing approximately 3 hours of usage with just one minute of power, or reaching about 90% battery life in less than two hours via the included USB Type-C cable.

Can I use this mouse on glass surfaces and what is its wireless range?
Yes, the sensor technology allows you to track and click effectively on almost any surface, including glass. The wireless connection provides a reliable range of up to 10 meters in an open area.

Which operating systems are compatible with this mouse?
This device supports multi-OS compatibility and pairs quickly with Mac (mac OS 10.13 or later), Windows (Windows 10 and 11), and Chrome OS, making it suitable for a variety of devices.

How many buttons can I customize and how do I connect to multiple devices?
The mouse features 7 buttons total, with 6 programmable options that you can tailor for app-specific shortcuts or sensitivity settings using HP Accessory Center. You can switch between up to 3 saved devices instantly using either the included USB dongle (2.4GHz) or Bluetooth 5.3.

What is included in the box and what are the physical dimensions?
The package contains a wireless mouse, a USB Type-A compatible dongle, a USB Type-C charging cable, a quick start guide, and a Warranty card. The mouse itself measures 102.1 x 57.1 x 36.2 mm and weighs only 84 grams.
