Specifications

Summary Overview:

Enhance your computing experience with the HP 255 Dual Wireless Mouse, designed specifically for South African buyers seeking reliable performance. This sleek ambidextrous mouse offers plug-and-play simplicity with switchable dual-mode connectivity via USB-A dongle or Bluetooth 5.0+, ensuring seamless operation across Windows, macOS, and ChromeOS devices. The multi-surface sensor technology allows you to work on virtually any surface without frustration.

Performance tier: Standard

Uses: Office work, home computing, web browsing, document editing, presentations, multimedia control

Overview:

The HP 255 Dual Wireless Mouse (Part Number NBHP8R3U1UT) is designed for seamless productivity with a sleek, full-size ambidextrous build that fits comfortably in either hand. This versatile peripheral allows you to work on almost any surface thanks to advanced multi-surface sensor technology and plug-and-play simplicity. Whether you are working on Windows 11, macOS, or ChromeOS, the switchable dual-mode connectivity ensures a reliable link via Bluetooth 5.0+ or a USB-A dongle.

Description

This HP mouse combines ergonomic design with sustainable manufacturing by incorporating 50% post-consumer recycled plastics and 100% recyclable packaging. It delivers smooth, precise control with a 1600 DPI optical sensor while maintaining exceptional battery life of up to 12 months on a single AA battery. The quiet click keys and non-slip side grips enhance comfort during long work sessions, making it an ideal choice for professionals seeking performance without compromise.

Features:

Frustration-Free Connectivity

Connecting your devices has never been easier with the switchable dual-mode capability that lets you choose between 2.4GHz wireless via a USB-A dongle or Bluetooth 5.0+. This flexibility ensures quick and reliable pairing across various platforms, allowing you to work exactly how you want without being tethered by cables.

Performance and Power

Designed for reliability, the mouse features a high-precision optical sensor that tracks smoothly on virtually any surface. The efficient power management system allows one AA battery to last up to 12 months, ensuring uninterrupted workflow. With AES 128 bits encryption included, your data remains secure while you enjoy a wireless range of up to 10 meters in open areas.

Sustainable Design

HP is committed to reducing plastic waste in landfills and oceans, which is why this mouse contains at least 50% post-consumer recycled plastic. The packaging is also 100% recyclable, reflecting a dedication to environmental responsibility without sacrificing the quality or durability of the product.

Technical Specifications

- Weight: 68.3 g
- Dimensions (W x D x H): 69.3 x 115 x 38.2 mm
- Color: Black
- Battery life: Up to 12 months
- Battery type: 1 x AA
- Wireless range: Up to 10 m in open area
- Resolution: Up to 1600 dpi
- Sensor technology: Multi surface tracking
- Buttons: 3 buttons (all programmable)
- Security: AES 128 bits encryption
- Compatible Operating Systems: Windows 11, Windows 10, macOS, ChromeOS

FAQ

Is this mouse compatible with my Mac or Chromebook?

The HP 255 Dual Wireless Mouse supports Windows 11, Windows 10, macOS, and ChromeOS. It features switchable dual-mode connectivity via a USB-A dongle (2.4GHz) or Bluetooth 5.0+ to connect easily with almost any device.

How long does the battery last and what type is required?

This mouse uses one AA battery which can last up to 12 months on a single charge. A new AA battery is included in the box along with the wireless mouse, USB dongle, quick start guide, and Warranty card.

Can I use this mouse on different surfaces?

Yes, the device features multi-surface sensor technology that allows you to work on almost any surface. It includes a 1600 DPI optical sensor for smooth, precise control regardless of the tracking area.

Is this mouse suitable for both left and right-handed users?

Absolutely. The HP 255 is designed as a full-size ambidextrous mouse with non-slip side grips and quiet click keys to ensure comfort for either hand. It features three programmable buttons.

How far can the mouse operate from my computer?

The wireless range extends up to 10 meters in an open area, giving you plenty of freedom to work comfortably away from your screen while maintaining a secure AES 128 bits encryption connection.
