HP Executive 14" Top Load Leather Notebook Case

Product Overview

HP Executive 14" Top Load Leather Notebook Case

Specifications

Overview:

Set a new style standard when you're on the move with the HP Elite Top Load Colombian Leather Case, a beautifully lush full-grain leather bag that helps protect your devices and data and has ultimate expandability for your everyday essentials without the extra bulk.

Features:

Super secure
Defend yourself against the electronic data theft of your cards and personal identification with the RFID-shielded pocket. Deter tampering and access to the contents of your bag with the lockable zipper.

Never lose your bag again
Keep track of your bag and belongings with the optional HP TrackR Device, which fits neatly into a discrete pocket and enables device tracking from your phone through a Bluetooth® connection.

Leave nothing behind
Use the main padded compartment for your device up to 14" diagonal, and the versatile foldout pocket to store your adapter, mouse, compact umbrella, and more. There's even a mouse pouch, an external phone pocket, and an adjustable-length key clip.

Carry it your way
Throw the bag across your chest to keep your hands free, or carry by hand with the double handles. Commuting and traveling are easier than ever with a luggage pass-through pocket that fits over the handle of most rolling suitcases.
