Specifications

Overview:

ThinkPad Professional 16-inch Backpack Gen 2

The Lenovo ThinkPad Professional 16" Backpack Gen 2 is a streamlined yet versatile backpack for the on-the-go professional that is also smarter for the planet. This clean, modern design carries, protects, and organizes your mobile office, while premium, lightweight and water-resistant materials withstand everyday wear and tear. PC compartment supports laptops up to 16", with a separate padded slip pocket for an additional smaller device.

- Well-padded PC compartment supports laptops up to 16", with a separate padded slip pocket providing a snug-fit for 14" laptops
- Durable and water-resistant exterior materials made from recycled PET
- Functional workstation on the front panel for maximum productivity
- Large main compartment includes storage pockets for accessories and personal items
- Rear features include premium padding and a convenient trolley strap for easy travels
- Single comfort handle makes commutes effortless
- Exterior made from 70% of recycled materials, equivalent to 16 500ml water bottles (assume 19 grams per bottle)

Features:

Be responsible

ThinkPad Professional 16" Backpack Gen 2 is crafted using recycled PET, exterior made with 70% recycled PET, equivalent to 16 500ml plastic water bottles * A perfect fusion of creativity and technology, designed with nature in mind.

Based on assumption that a typical 500ml plastic water bottle is comprised of approximately 19 grams of plastic.

Be ready

This backpack is equipped with a clever workstation and two handy zippered pockets on the front panel. Plus, with a spacious main compartment and a dedicated PC compartment that fits up to 16" laptops, you'll be ready for anything.

Be free

Four pockets nestled inside the main compartment keep your essentials organized. A smart cable slot enabling on-the-go charging using your power bank. And a travel-friendly luggage strap for easy transport. All together, the perfect companion.
