NBPD0160A

APC NetBotz Camera Pod 160

Product Overview

APC NetBotz Camera Pod 160

Specifications

Overview:

USB Camera enhances surveillance capability in select NetBotz Room Monitor and Rack Monitor appliances.

Features:

2-Way audio
Supports remote service capability through speaker and microphone inputs. Advanced Software Pack #1 required to enable functionality.

Door contact
Enables a NetBotz appliance to detect the act of opening a door, which triggers surveillence recording.

Environmental monitoring
Prevent equipment failure from a full range of threatening environmental conditions.

Full-motion video camera
Capture a visual record when used with a compatible NetBotz appliance.

Intelligent appliance
Built-in software allows appliance to assess severity of threats and provide notification, reducing network bandwidth.

Event-driven video storage
Video storage prompted by motion or alert.

Handheld device support
Sends PDA-formatted alerts including pictures and link to live video to your Palm/Blackberry/PocketPC.

Scalability

The extensible platform can be scaled to meet changing business needs and requirements on demand. The management of additional devices is allowed as needed, while powerful facility and service management applications help to expand the product's management capabilities.

Customized escalation policies
Alerts are managed according to your escalation policies and received in multiple formats.

Fault notification
Real-time event notification minimizes response times to critical physical infrastructure situations. Enables IT Administrators to reduce mean time to repair, improve efficiency, and maximize uptime.

Network equipment monitoring
Monitor physical 'vital signs' of network and computer equipment via IPMI or SNMP.

3rd party sensor support
Easily add 3rd party sensors for monitoring fluid, vibration, dust particles, radiation, etc. to meet specific monitoring needs.

Full-motion video camera
Capture a visual record when used with a compatible NetBotz appliance.

Specifications	
Product Code	NBPD0160A
Input	
Input Power	2.0Watts
Physical	
Maximum Height	102mm, 10.2CM
Maximum Width	100mm, 10.0CM
Maximum Depth	78mm, 7.8CM
Net Weight	0.2KG
Shipping weight	1.4KG
Shipping Height	216mm, 21.6CM
Shipping Width	216mm, 21.6CM
Shipping Depth	260mm, 26.0CM
Environmental	
Operating Temperature	0 - 45 degreesC
Operating Relative Humidity	10 - 90 %
Operating Elevation	0-3000meters
Storage Temperature	-15 - 65 degreesC
Storage Relative Humidity	10 - 90 %

Storage Elevation	0-15000meters
Conformance	
Approvals	CE, EN 55022 Class A, EN 55024, FCC Part 15 Class A, ICES-003, VCCI Class A
Sustainable Offer Status	
RoHS	Compliant
REACH	REACH: Contains No SVHCs
