Product Specification Sheet

NBWL0356A

Apc NetBotz Room Monitor 355 (with 120/240V PoE Injector)

Product Overview

Apc NetBotz Room Monitor 355 (with 120/240V PoE Injector)

Specifications

Overview:

Cost-effective security and environmental monitoring for network closets to data centers

Features:

Fault notification
Real-time event notification minimizes response times to critical physical infrastructure situations. Enables IT Administrators to reduce mean time to repair, improve efficiency, and maximize uptime.

Access monitoring
Detect access by unauthorized personnel via door switch.

Surveillance
Detect and record motion, allowing a visual record to be paired with an access or environmental alert, which speeds root cause analysis.

Environmental monitoring
Prevent equipment failure from a full range of threatening environmental conditions.

Customized escalation policies
Alerts are managed according to your escalation policies and received in multiple formats.

Adjustable threshold
Customize threshold definitions (multiple thresholds per sensor, scheduling, severity levels) to your requirements.

Alerts View
Easily review and correlate alerts. Provide context to alerts by attaching video clips, graphs, and maps.

Enterprise management system compatible
Make device information available to your preferred enterprise management system by forwarding SNMP traps (events) across SNMPv1 and SNMPv3 using the PowerNet MIB

Integrates with StruxureWare Data Center Expert
An IT-ready, scalable access monitoring system that collects, organizes, and distributes critical alerts, surveillance video and key information, providing a unified view of complex physical infrastructure environments from anywhere on the network

Advanced View client application
Robust appliance interface provides historic alerts, graphs, and configuration.

Event-driven video storage
Video storage prompted by motion or alert.

Browser Accessible
View the user interface with a browser. Provides quick access from anywhere on a secure network.

Password Security
User-selectable password with strong password rules and reset password mechanism.

Specifications	
Product Code	NBWL0356A
Physical	
Maximum Height	210mm, 21.0CM
Maximum Width	170mm, 17.0CM
Maximum Depth	94mm, 9.4CM
Net Weight	0.64KG
Shipping weight	1.71KG
Shipping Height	260mm, 26.0CM
Shipping Width	286mm, 28.6CM
Shipping Depth	165mm, 16.5CM
Sustainable Offer Status	
RoHS	Compliant
REACH	REACH: Contains No SVHCs
Battery Directive	Compliant
