NET-PG-80-BL

Unbranded Black Power Grommet with USB

Product Overview

Unbranded Black Power Grommet, 1x16A 1x2 USB, 1.5m Supply. The NET-PG-80-BL is a compact power grommet that brings both SA-standard power and USB charging to your desk. It installs easily with its 1.5 m cable and blends into modern workspaces while reducing clutter. Ideal for efficient device charging in home offices and boardrooms.

Specifications

Overview Summary

Power Grommet Black NET-PG-80-BL

The NET-PG-80-BL is a sleek, space-saving power grommet designed to enhance modern desks and workspaces. It combines a standard South African 16 A power outlet with dual USB ports for versatile charging and power delivery. The integrated 1.5 m supply cable simplifies installation and provides reliable connectivity.

This compact unit offers seamless access to power and USB charging, ideal for home offices, boardrooms, or multimedia workstations. It reduces clutter and enhances productivity by keeping devices powered close at hand.

Performance tier: Mid-range reliability

Uses: Device charging, Workspace power delivery, Cable management

Description

The NET-PG-80-BL Power Grommet is thoughtfully engineered to integrate seamlessly into desk surfaces, offering enhanced power accessibility without sacrificing aesthetics. With its built-in 16 A SA power outlet and dual USB ports, users can power laptops, charge smartphones or tablets, and maintain an organized, cable-free workspace. The black finish complements contemporary furniture, while the concealed wiring promotes a tidy environment.

This product is especially beneficial in modern South African offices and home setups where multiple devices require charging simultaneously. The 1.5 m supply cable ensures easy and flexible placement, making it a functional and stylish desktop accessory.

Features

This product offers convenient power and charging functionality combined in a plug-and-play design:

- Easy installation into standard desk or table cutouts.
- Includes a 1.5 m power cable for flexible placement.
- Combines a SA 16 A power outlet with two USB ports for simultaneous charging.
- Sleek black finish that integrates cleanly with modern workspace aesthetics.
- Ideal for both home and office environments, reducing the need for extension cords.
