Performance tier:Premium smart lighting

Uses: Home lighting, mood lighting, remote-controlled lighting, multicolor ambiance, energy-efficient illumination

Overview:

TP-Link Tapo L530E Smart Wi-Fi Light Bulb - Multicolor, 2-Pack

Upgrade your home lighting with the TP-Link Tapo L530E Smart Wi-Fi Light Bulb. Designed for convenience, versatility, and energy efficiency, this multicolor LED bulb offers fully customizable lighting to suit every mood and activity. With no hub required and seamless app and voice control, transforming your home into a smart space has never been easier.

Description:

The Tapo L530E lets you personalize your lighting with 16 million colors and adjustable brightness. It supports scheduling, timers, and presets for effortless daily routines. Compatible with Amazon Alexa and Google Assistant, it allows hands-free control, while remote management via the Tapo app ensures you can adjust lights anytime, anywhere. Energy-efficient and easy to install, this bulb enhances security with an Away Mode and restores your last light state automatically.

Features:

Immersive Lighting for Every Occasion

Customize your home lighting to match your mood or activity. The Tapo L530E offers:

- 16,000,000 colors and adjustable color temperature (2,500-6,500 K)
- Brightness ranging from 1% to 100%
- Ideal for creating cozy evenings, lively parties, or focused work environments

Easily Adjustable Brightness

Set the perfect atmosphere with dimmable lighting. Whether it's a relaxed evening or a vibrant gathering, control your home's brightness instantly from the Tapo app or with voice commands.

Smart Presets for Convenience

Save your favorite lighting settings for movies, reading, or gaming. Quickly apply saved scenes with a single tap, making your everyday routines simpler.

Scheduling and Timers Made Simple

Automate your lighting to match your lifestyle:

- Create daily schedules to turn lights on or off automatically
- Use sunrise and sunset modes to align lighting with your local time
- Set timers to manage energy use and convenience

Hands-Free Voice Control

The Tapo L530E works seamlessly with Amazon Alexa and Google Assistant. Manage your lights without lifting a finger—perfect for multitasking or when your hands are full.

Remote Control Anytime, Anywhere

Control your lighting from anywhere using the Tapo app. Whether you're at work, running errands, or returning home late, one tap lets you manage your lights with ease.

Enhanced Security with Away Mode

Simulate someone being home while you're away. Away Mode turns lights on and off randomly, deterring potential intruders and enhancing your home's security.

Energy Efficient and Easy to Install

- Connect directly to your Wi-Fi—no hub required

ComX Computers

Product Specification Sheet

- Low energy consumption: 8.7 W for 806 lumens (60 W equivalent)
- E27 screw-in base compatible with standard fittings

Integrated Smart Home Ecosystem

The Tapo app allows total control over your smart home devices. Expand your smart home setup with Tapo's growing ecosystem, making everyday life more connected and convenient.
